

SO, YOU WANT TO HAVE A BLOCK PARTY

Block Parties are closures of residential streets by the local residents and do not include closures by a business or for business purposes like sales, promotions, company events, festivals or extending business premises to the right of ways. Sidewalks must always be kept open and pedestrians allowed to pass.

If your community decides to have a Block Party, please keep the following in mind:

- Completed applications must be submitted at least 7 days prior to the block party.
- Streets must be closed between intersections; closing a street for half a block or along one side of the street only is not permitted.
- Operating a carnival, selling liquor, consuming liquor in the right-of-way or using fireworks is prohibited under permit.
- The applicant is responsible for picking up, setting up and returning signs and barricades following a diagram provided by our department.
- If you wish to have a bonfire or burn barrel you must also obtain an [Open Air Fire Permit](#) from the Winnipeg Fire Prevention Branch. Contact fireinspections@winnipeg.ca or (204) 986-8200 for further information. You will require your Block Party Permit to apply.
- A [Noise Permit](#) from the Winnipeg Police Services is required for amplified sound.

The Application

The application form (attached) must be completed and returned with the majority petition and certificate of insurance no later than 7 days prior to the event.

The Petition

You must obtain a 50% majority petition of the affected property owners to hold a Block Party. An affected property owner is anyone with a fronting residence or an approach/driveway that cannot be accessed during the closure. A sample petition is attached.

We also recommend that you drop off notices to any homes that do not answer on the day you petition. The notice should include information about the Block Party, the date and times and your name and phone number. Remember, someone may be having an important event, like a wedding, at his or her residence on the day you are planning the Block Party.

The Insurance

It is mandatory to have liability insurance for any event occurring on the public right of way. You have two options for insurance coverage:

1. City's Insurance Rider

You may come on to the City's insurance rider for a fee of \$150.00 (2024 rate). The deductible is \$2,500.00 per claim to be borne by the applicant to a maximum of \$2,000,000.00 insured. This protects against liability for bodily injury or property damage arising out of events connected with the Block Party only. The insurance fee is not refundable.

2. Obtaining Your Own Insurance

Alternatively, you may obtain insurance on your own. To obtain a quote from your insurance agent, provide the details of the Block Party closure and include the following paragraph to explain the type and amount of insurance required:

THE APPLICANT shall maintain, pay and provide the City with a certified true copy of a Certificate of Insurance of a Comprehensive General Liability insurance policy in a form satisfactory to the City Solicitor in the amount of no less than Two Million (\$2,000,000.00) Dollars all-inclusive, with The City of Winnipeg being named as an additional named insured and a cross-liability clause thereon, in connection with the work permitted to be undertaken hereunder prior to the commencement of the said work.
