

2009 Preliminary Operating Budget

Letter from the Mayor and the Chairperson of the Standing Policy Committee on Finance

February 20, 2009

TO ALL MEMBERS OF COUNCIL:

Re: Preliminary 2009 Operating Budget and Financial Plan for 2010 and 2011

Today, we are tabling a three-year financial plan for the City of Winnipeg. This Preliminary 2009-2011 Operating Budget for both tax-supported and utility operations is presented to all Members of Council, for their review and consideration.

This has been the most difficult budget in recent memory. Canada, like its trading partners around the world, is feeling the effects of global economic uncertainty; no Canadian city is immune to these effects. In its Winter 2009 Metropolitan Outlook Report, the Conference Board of Canada noted a number of risks for Winnipeg related to the global downturn, cautioning that a weaker-than-expected North American economy could lead to lower local economic growth.

The City is committed to sound long-term planning and the prudent stewardship of civic resources, to help Winnipeggers weather the current economic turbulence. Difficult choices have been necessary, and will continue to be necessary in future budgets. Even despite our best efforts, our financial plans for 2010 and 2011 remain in significant shortfall positions, and will require further work to achieve a balanced financial framework. These tasks should not be underestimated.

Notwithstanding these significant challenges, this Preliminary 2009-2011 Operating Budget maintains the City's commitment to affordability and quality service. Despite increasing and intense cost pressures, we have continued the City's property tax freeze in 2009, for the 12th year in a row – a property tax freeze which is unmatched by any other Canadian city. As other cities continue to raise taxes, we are striving to become more competitive, to encourage investment and further growth, and to keep our city affordable for ordinary homeowners.

In 2009, we are also implementing a new small business tax credit program worth \$2.5 million, to ensure that the smallest businesses in Winnipeg receive support and encouragement this year, during the economic downturn.

Our priorities in this budget are clear. Public safety continues to be the most significant area of investment. Neighbourhood safety and crime prevention continue to be key in making the community a safer place. This budget also includes a new funding

arrangement with the Winnipeg Regional Health Authority for the delivery of ambulance services, which will be negotiated and finalized in the coming months.

Addressing the City's pre-existing infrastructure deficit remains a challenge. This budget identifies strategic spending, to ensure the best value for the taxpayer's dollar. The contribution to the Transit Infrastructure Reserve has been strengthened, to ensure the successful implementation of the Rapid Transit Southwest Corridor Initiative.

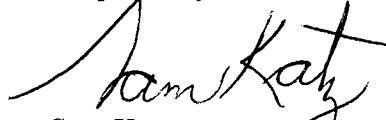

Winnipeg is a growing city. We are undertaking the development of a new Official Plan for our city, creating a 25-year blueprint for the future. This plan will focus on keeping our city sustainable – financially, environmentally, and socially – for years to come.

This budget includes \$3 million, over its 3-year plan, to extend the Aboriginal Youth Strategy. This initiative will help leverage investments from federal and provincial partners as well, to benefit young Aboriginal Winnipeggers. The budget also includes funding for the fully implemented 311 initiative, which was successfully launched this January. Now, our citizens have a one-number, one-call system to support the delivery of all non-emergency City services.

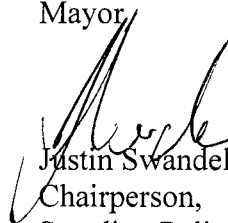

Development of this preliminary budget and financial plan has required difficult choices; its implementation will require fiscal discipline, the identification of further efficiencies, and a continued dedication to finding better ways of doing business. We believe that this budget's commitment to fiscal prudence and quality service will help us build on our strengths as a city, and meet our challenges effectively.

Now, we invite all Councillors and members of the public to join in the process of building the City's 2009 budget, and our fiscal framework for future years. In spite of the uncertainties we are facing – globally, nationally, and here at home – we remain confident in Winnipeg's future. With this Preliminary Operating Budget, we have a plan to chart a steady and responsible course through present economic turbulence, to the opportunities that lie ahead.

Respectfully submitted,

Sam Katz
Mayor

Justin Swandel
Chairperson,
Standing Policy Committee on Finance

RECOMMENDATIONS

1. a) That the 2009 Preliminary Operating Budget, including the budgets for reserves (Appendix 2), be approved and forwarded to all Members of Council for their review; and
b) That the 2010 and 2011 projections be received as information on the preliminary financial plans for those years.
2. That the City's mill rate remain fixed at the 2008 level of 25.448.
3. a) That the City's business tax rate remain unchanged at 7.75% for 2009; and
b) That Council enact the attached Small Business Tax Credit by-law under Subsection 219(2) of the City of Winnipeg Charter, which will provide a full rebate of municipal business taxes for businesses with an annual rental value of \$14,040 or less in 2009.
4. That the transfers between funds and the levies outlined in the 2009 Preliminary Operating Budget be approved.
5. That the Chief Financial Officer be delegated the authority to allocate cost reduction measures on a budget neutral basis with no reduction in services.
6. That \$2 million in prior years' tax supported capital surplus identified in the recent capital review be utilized to reduce debt and finance charges in the 2009 tax supported operating budget.
7. That the City Solicitor/Manager of Legal Services be instructed to prepare the necessary by-laws to implement the above recommendations.
8. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing, including the execution of any documents related thereto.

Undertake effective roadway snow and ice control services in order to provide safe and accessible conditions on City streets and sidewalks during the winter season.

KEY GOALS

1. To provide the citizens of Winnipeg with safe and accessible roadway infrastructure during the winter months by delivering efficient and effective snow and ice control services.
2. To implement “Best Management Practices” for the municipal use of road salt for snow and ice control in winter months in accordance with Environment Canada’s new Code of Practice for Road Salt Management.
3. To work closely with the private sector to ensure that there is a sustainable quantity of private sector equipment to assist the City in carrying out the winter snow clearing operations.
4. To examine various options for the provision of snow disposal sites and develop a long term strategy to provide this service in a cost-effective manner in the future.

Fleet Management Agency (SOA)

Service Overview

DESCRIPTION

To provide economical, state-of-the-art, safe and eco-friendly fleet vehicle, equipment and other asset management services to The City of Winnipeg and other public sector organizations, in support of their service delivery. Agency services are provided to most City departments including Community Services, Fire Paramedic Service, Planning, Property and Development, Police Service, Public Works, and Water and Waste, for direct service delivery to the Citizens of Winnipeg. The Agency offers the following services:

- Vehicle, equipment and other asset life cycle cost management
- Vehicle and equipment acquisition, leasing and disposal
- Fuel supply and management
- Vehicle and equipment repair and maintenance
- Vehicle insurance, licensing and registration
- Vehicle and equipment manufacturing and fabrication
- Safety training and accident management
- Vehicle and equipment rentals

KEY GOALS

1. Present planned and demanded vehicles and equipment to ensure City departments' operational performance requirements and safety legislative requirements are met.
2. Maintain fleet service centres which provide superior customer service and administrative support to the City's geographically dispersed and varying fleet, while ensuring reliability and safety.
3. Manage the City's fuel distribution system on a day-to-day and emergency basis, by providing customers with a safe, cost-effective, dependable and convenient fuel supply, while ensuring compliance with legislation.
4. Encourage fleet greenhouse gas emission awareness and reductions through research, testing, offering environmentally friendly vehicles and equipment, and alternative fuels.
5. Expand fleet management services within the City, and offer services to external public sector markets.

Neighbourhood Revitalization

Includes:

- Community Development
- Housing Initiative

Service Overview

DESCRIPTION

Provide neighbourhood residents with tools and support to build resilient, healthy communities and to promote and deliver community based projects and programs that support sustainable neighbourhoods and healthy communities.

This service is provided jointly by the Planning, Property and Community Services Departments. Service activities include the administration of Council's neighbourhood and housing programs including, but not limited to:

- Winnipeg Housing and Homelessness Initiative (WHHI)
- Building Communities Initiative
- Home Renovation Tax Assistance (HRTA)
- Affordable Housing Initiatives
- Residential In-fill Tax Credit Program
- Residential Rehabilitation Assistance Program (RRAP)
- Neighbourhood Multi-Family / Mixed-Use Building Grant Program
- Downtown Multi-Family / Mixed-Use Building Grant Program

- Winnipeg Partnership Agreement
- Aboriginal Youth Strategy (AYS)
- LiveSAFE in Winnipeg

KEY GOALS

1. Increase community confidence in their neighbourhood and encourage residents to remain and invest in their own communities.
2. Encourage and promote community involvement in defining neighbourhood values and needs and prioritizing neighbourhood infrastructure improvement projects that meet those values and needs.
3. Participate directly in the revitalization of the downtown as a collection of vibrant residential neighbourhoods.
4. Facilitate the development of recreation services that are more responsive to the specific recreational needs of communities; with a priority focus on high needs neighbourhoods.
5. Enhance Aboriginal youth services in Winnipeg.
6. Work in partnership with community and other levels of government to develop and implement a continuum of crime prevention initiatives.

Service Overview

DESCRIPTION

The Police Response Service provides emergency, urgent, and non-urgent response to public calls for service. This includes disaster situations, danger to life and property situations, and lowered risk to persons and property situations. In addition, the service undertakes criminal investigation services potentially leading to offender identification, arrest or other resolution. The service is also responsible for training all police and civilian members of the Winnipeg Police Service (WPS). Finally, the service ensures public order through planned response to large public gatherings and through contract service at targeted events such as professional sporting matches and film industry productions. The delivery of all aspects of this service depends on the collection, analysis, and dissemination of public safety and criminal intelligence and information.

KEY GOALS

1. Reduce crime through evidence-based policing strategies.
2. Improve public service delivery in uniform operations.
3. Focus on downtown safety while balancing the needs of targeted neighbourhoods.
4. Focus on criminal prosecutions through improved quality and timeliness of report and evidence disclosure.

Fire & Rescue Response

Includes:

- *Fire and Rescue Response*
- *Fire Investigations*

Service Overview

DESCRIPTION

To provide quick, proficient, emergency and non-emergency fire suppression and rescue assistance to victims of fire, accidents, and other disasters or emergencies in order to prevent or minimize loss of life or property. This includes fire suppression, notification and evacuation of citizens, rescue services including motor vehicle extrication, high angle, trench, elevator, water, and ice rescue, investigation and mitigation of carbon monoxide or other gas leaks, and other hazardous materials incidents.

Additional contributions include standby fire and rescue service at public events, support to public education programs, supplement fire inspection and by-law enforcement program, fire Investigation services potentially leading to offender identification, arrest and/or counselling in regard to incidents of deliberately set fires and response to medical emergencies.

KEY GOALS

1. Improve capacity to effectively respond to emergencies and disasters in a manner that is financially sustainable for the citizens of Winnipeg.
2. Invest in technology, equipment, and staff training to maximize safety for all emergency responders as well as the public.
3. Invest in technology, equipment, and staff training to protect the environment.
4. Ensure a respectful work environment and positive public image.

Service Overview

DESCRIPTION

To protect citizens, and minimize loss of life and property due to fire through ensuring adherence to existing building standards for construction, safety, and egress.

To provide citizens with fire and life safety education, advice, and promote safe choices that will reduce the need for emergency fire, rescue and medical services.

KEY GOALS

1. Ensure safety of housing and other buildings through plan examinations, inspections, and fire code and by-law enforcement.
2. Identify and engage key target audiences to maximize effectiveness of educational opportunities.
3. Decrease the incidence of fire or injury emergencies through expansion of public education programs.
4. Investigate and pursue partnerships to enhance ability to prevent fire and injuries.
5. Save lives through promotion of public access defibrillation, and 'demand reduction' initiatives such as plan examinations and residential sprinklers.

Golf Services (SOA)

Includes:

- Golf Services

Service Overview

DESCRIPTION

The City of Winnipeg has operated municipal golf courses since 1921. Winnipeg Golf Services was established in 2002 to administer the City's 12 golf course assets. Golf Services consist of operating and maintaining golf courses, managing contracts and leases for City lands used for privately operated golf courses, managing a contracted cross country ski operation and other services compatible with a golf operation.

KEY GOALS

1. Improve golf course playability.
2. Provide high quality customer service.
3. Ensure financial and environmental sustainability.
4. Improve the image of municipal courses.
5. Increase revenues from associated services.
6. Administer contracts and leases for non-City operated courses.

Arts, Entertainment and Culture

Includes:

- Arts, Entertainment and Culture Grants
- Arts, Entertainment and Culture Events
- Zoo
- Conservatory
- Museums

Service Overview

DESCRIPTION

To provide citizens and visitors with attractions, entertainment, arts and cultural events that contribute to a dynamic urban image, economic development and a vibrant city lifestyle through:

- Assiniboine Park, a 400 acre manicured English landscape style park featuring a zoo with one of Canada's largest animal collections, a conservatory with ever-changing botanic displays and unique shows, outdoor gardens, theatre, performance and art displays, annual community events, trails, meadows and athletic fields for year-round leisure activities;
- Grant support to museums, arts, entertainment and cultural communities to provide a wide range of events, shows and displays for Winnipeg residents and visitors to the City;
- Attracting and assisting film-makers and event organizers by providing logistical support, facilitated contact and liaison with civic departments, private sector business and

organizations in support of a welcoming community for film activities and a strong and vibrant calendar of cultural and special events.

KEY GOALS

1. Facilitate the transition from civic operations to a new Council approved not-for-profit governing body expected to assume management of Assiniboine Park.
2. Maintain and improve Assiniboine Park as the City's premier green space and destination of choice.
3. Enhance the Zoo by expanding its role as a leader in animal conservation and a centre for family recreation and education.
4. Develop and market the Conservatory as a vibrant centre of horticultural excellence, education and conservation.
5. Support film, culture and special events by working cooperatively with civic departments and other organizations to provide logistical support to the film industry, event organizers, and arts organizations.

Audit

Service Overview

DESCRIPTION

The purpose of the Audit Department is to provide independent and objective information, advice and assurance with respect to the performance of civic services in support of open, transparent and accountable government. Our primary client is City Council, through the Audit Committee (Executive Policy Committee). The value to Council is the ability to use credible information to make better decisions and to hold the Public Service accountable. Our stakeholders are civic managers and citizens who are the recipients of our public reports.

KEY GOALS

1. To provide independent and objective assurance on the efficiency and effectiveness of City operations as well as timely, relevant and value-added recommendations for improvement.
2. To influence organizational outcomes and accountability by promoting good governance, effective risk management and controllership, and comprehensive and transparent performance information.
3. To deliver high quality, cost-effective audit services.

City Clerk's

Service Overview

DESCRIPTION

To provide professional products and services in support of local government by providing policy, procedural and administrative services to Council and its Committees within adopted budgets. The Department manages the decision making process, administers civic elections and by-elections and manages the Corporate Records Program among other duties. Clients include elected officials, senior officials, civic departments and the public.

KEY GOALS

1. Improve customer service through the support and implementation of Council Direction.
2. Enable cost savings and improve delivery of services through the increased use of information technology by continuing to enhance e-government and other electronic systems.
3. Review existing systems to ensure they are in keeping with changing environmental conditions and making full usage of technology and processes to reduce costs and maximize efficiency.
4. Improve support to local government with ongoing election planning.
