

Reduce mosquitoes this summer! Let's all do our part!

Don't Give Mosquitoes a Place to Grow in Your Yard

- DUMP IT** containers, kids' toys, pools
- DRAIN IT** eavestroughs, plant saucers
- COVER IT** rain barrels
- FILL IT** low-lying areas
- TREAT IT** with biological larvicides, available at home and garden centres

For more information on the City of Winnipeg's Nuisance Mosquito Control Program, including current conditions and activities, visit winnipeg.ca/bugline or call the **Bugline 986-3210**
