

# Please, treat us like dirt, not garbage.

Leaves are a gift from Mother Nature that keep on giving - if they are recycled! Starting October 1, drop your leaves off at one of the nine Leaf It With Us depots. We'll compost them into a dirt-like material that nourishes new plant life.

So please, don't let your leaves waste away at the landfill. This year, **turn over an old leaf!**

**Bagged leaves only:**

- Assiniboine Park Zoo
- Kildonan Park
- King's Park
- Pan-Am Pool
- St. James Civic Centre
- St. Vital Park
