The source for the following data is the Community Data Network, Custom Tabulation, Statistics Canada, Census of Population - 2001.

**NOTE TO USERS:**

Some of the definitions for the 2001 Census have changed (for example, "common-law" now includes same-sex couples). Refer to the definitions posted on the City of Winnipeg Neighbourhood Profiles website or go to the Statistics Canada 2001 Census Dictionary site for more information.

The following data is based on the non-institutional population, which excludes people living in hospitals, nursing homes, prisons, etc.

A 20% sample was used to compile statistics. One in five households were surveyed and the results were then multiplied to obtain representative data for the whole community.

Statistics Canada rounds numbers over ten to the nearest five, which may cause some totals to be off by five, ten, or more. Numbers less than ten are rounded to zero or ten.
