Re: Chief Peguis Trail Functional Study

Purpose

To provide an understanding of the current status of the study for the Chief Peguis Trail extension from Main Street to Brookside Boulevard.

Background:

- In August 2014, Morrison Hershfield Limited (MH) was awarded the contract for "Professional Consulting Services for the Preliminary Design of the Chief Peguis Trail Extension from Main Street to Brookside Boulevard". MH was one of three entities submitting proposals for this contract. MMM Group and AECOM Canada were the other two proponents.
- The proposals were evaluated based on the required criteria and associated weight for said criteria:
  - Fees : 40%
  - Experience of proponent and subconsultant: 10%
  - Experience of key personnel assigned to the project : 25%
  - Project understanding and methodology: 20%
  - Project schedule :10%
- The proposal included amongst other things the following components:
  - Functional design for transportation corridor from Brookside to Main Street
  - Preliminary design for transportation corridor from McPhillips to Main Street with a Class 3 estimate
  - Preliminary design of a grade separation at Main and Chief Peguis if warranted. Fees would be negotiated if so.
  - ROW requirements as part of the preferred design
  - Public engagement (initiation information session, open houses, printed media)
- According to the proposal submitted by MH, The work was to be completed on or before April 2015 subject to a start date of July 14, 2014.
- The Director of Public Works issued a letter of intent to MH dated August 14, 2014.
