CAMPAIGN EXPENSES AND CONTRIBUTIONS OFFICER

The Campaign Expenses and Contributions Officer assists candidates to comply with the provisions of the Campaign Expenses and Contributions By-law.

All questions on campaign financing are to be made to Bill Treytiak, Campaign Expenses and Contributions Officer.

The Campaign Expenses and Contributions Officer examines the audited financial statements which all registered candidates are required to file, and obtains any other related information he considers necessary for the purpose of making a report to Council, in accordance with the requirements of the by-law and *The City of Winnipeg Charter*.

FAILURE OF A REGISTERED CANDIDATE TO COMPLY WITH THE STATUTORY AND BY-LAW PROVISIONS, INCLUDING FAILURE TO FILE AN AUDITED FINANCIAL STATEMENT, CAN RESULT IN PROSECUTION.

REGISTRATION OF CANDIDATES

Every person who proposes to be a candidate for Councillor must register *in-person* with the Senior Election Official at the City Clerk's Department, Main Floor, Council Building, 510 Main Street, by filing a **Notice of Registration** form, as outlined on Form 1 contained in the Campaign Expenses and Contributions By-law. (**See attached white pages for Form 1**).

Candidates may register any time commencing **Monday, January 26, 2009 and no later than Monday, February 9, 2009, 4:30 p.m.**

The following information is required on the Notice of Registration form:

- the name and address of the candidate
- the candidate's official agent and auditor
- the name of the chartered bank or other financial institution, including account number(s), where accounts will be established by the candidate for use during his/her election campaign
- a declaration of the candidate's eligibility to be nominated in the election.

The Senior Election Official must be notified in writing immediately of any changes to this information.

A person who files a Notice of Registration becomes a registered candidate on the day of filing. The Senior Election Official keeps a register of every person who has registered. Until a candidate is registered, neither the candidate nor his/her campaign organization is entitled to accept contributions or incur any expenses. Also, a candidate may not spend any of his/her own money on the campaign before registration.

It is important to note that the candidate registration process and the nomination process are separate.

A registered candidate will not have his/her name on the ballot until they are nominated. Registration alone does not confirm status as a candidate in the By-Election and being registered does not commit a candidate to file nomination papers.

OFFICIAL AGENT

Every candidate must appoint an **Official Agent** who will be responsible for receiving contributions and authorizing campaign expenses. If the Official Agent ceases to hold office for any reason, the registered candidate must immediately appoint another Official Agent and advise the Senior Election Official in writing of the change.

The Official Agent is responsible for the following:

- a) Keeping proper records of all receipts and expenses;
- b) Ensuring that contributions are placed in accounts listed in the Notice of Registration filed with the Senior Election Official;
- c) Ensuring that proper receipts have been completed;
- d) Ensuring that the audited statement required under Section 14 of the Campaign Expenses and Contributions By-law is prepared;
- e) Ensuring that financial records relating to the election campaign are retained for two years after By-Election Day.

CAMPAIGN CONTRIBUTIONS

CONTRIBUTIONS - TO REGISTERED PERSONS ONLY

Contributions to registered candidates may be made by individuals, organizations, corporations and trade unions and may be made only during the campaign period **January 26, 2009 to June 15, 2009**.

NO FUNDS FROM POLITICAL PARTIES

Contributions cannot be made by a political party registered under *The Canada Elections Act*, or a political party registered under *The Elections Finances Act*, or a constituency association of such registered parties.

NO CONTRIBUTION UNLESS REGISTERED

Unless a person registers as a candidate, he/she is not permitted to accept contributions or incur election expenses.

DEPOSIT AND USE OF FUNDS IN ACCOUNT

The official agent for a registered candidate shall ensure that all moneys accepted by or on behalf of a registered candidate must be deposited in the account(s) identified in **Form 1**, and must be used only for the purpose of the election campaign. All payments relating to the campaign must be made by cheque only out of such an account.

CANDIDATE TO ISSUE RECEIPTS

A registered candidate must provide and issue a receipt for each contribution accepted. Each receipt must be consecutively numbered and must contain all the information required as outlined in **Form 5**.

RECORD OF CONTRIBUTIONS

Every registered candidate must keep a record of the value of all contributions whether in the form of money, goods or services, and in the case of contributions of more than \$250, the name and address of each contributor.

MONEY - IN EXCESS OF \$100

Monetary contributions to registered candidates in amounts in excess of \$100 must be made by:

- a) Cheque having the name of the contributor legibly printed on it and drawn on an account in the contributor's name;
- b) Money order signed by the contributor; or
- c) Credit card which has the name of the contributor imprinted or embossed on it.

CONTRIBUTION LIMIT

No individual, corporation, organization or trade union shall make a contribution in money, goods or services to any registered candidate for the Office of Councillor **which in total exceeds \$750** in value during the campaign period

CANDIDATE'S OWN FUNDS

Any moneys used for an election campaign by a registered candidate out of the registered candidate's own funds or those of the spouse of a registered candidate shall be considered to be a contribution. The \$750 contribution limit does not apply to a candidate's own funds, but in any case, the total spending limits for candidates for Councillor as outlined in Section 11(4) and 11(5) of the by-law, cannot be exceeded.

Every registered candidate must submit to the Campaign Expenses and Contributions Officer at the same time as the audited statement is filed, a statement setting out campaign expenses paid or to be paid out of the candidate's own funds or of his/her spouse. **(See Form 4, Schedule 1)**

REFUND OF CONTRIBUTIONS

If a registered candidate learns of any contributions received in contravention of the Campaign Expenses and Contributions By-law, the registered candidate or the official agent shall return the contribution or an amount equal to the sum contributed, within 30 days upon obtaining the contributor's copy of the receipt.

ANONYMOUS CONTRIBUTIONS

The official agent of a registered candidate shall ensure that an anonymous contribution received by a registered candidate must not be used or spent, but must be paid over to the Senior Election Official, and become part of the general revenue of the City.

THIRD PARTY AND GROUP CONTRIBUTIONS

Moneys expended by a person, organization, corporation or a trade union to promote a candidate must be acknowledged as a contribution. In circumstances where moneys are expended by a person, organization, corporation or a trade union to promote a group of candidates, the candidates must acknowledge the contribution on a pro-rated basis.

FUND RAISING EVENTS

Fund-raising events held by or on behalf of a registered candidate must be held only during the campaign period. The gross income, as well as any revenue made from a fund-raising event, must be recorded and included in the audited financial statement and reported to the Campaign Expenses and Contributions Officer.

Any expenses incurred in holding a fund-raising event are excluded from the campaign expense limitation of the candidate, that is, they are not counted as a campaign expense insofar as the amount a candidate can spend on his campaign. No money shall be contributed anonymously into a general collection at a fund-raising event in excess of \$10.

CAMPAIGN EXPENSES

RECORDS MAINTAINED

Every registered candidate must keep a record of all campaign expenses.

EXPENSE LIMITATION

Total campaign expenses incurred by a registered candidate are determined by a formula described in the by-law. The Campaign Expenses and Contributions Officer will provide each candidate with a preliminary estimate of a candidate's expense limitation at the beginning of the campaign period and will certify the exact campaign expense limitation by **February 3, 2009**. The campaign expense limitation is set by formula based upon the number of electors as identified by the Senior Election Official. **(See Sections 11(4) and 11(5) of Campaign Expenses and Contributions By-law No. 5550/90)**

AUDITED FINANCIAL STATEMENT

Each registered candidate must file with the Campaign Expenses and Contributions Officer, an audited financial statement prepared by an auditor appointed by the candidate that contains the following information:

- a) all income received and expenses incurred;
- b) the name, address and contribution of each contributor of an amount over \$250;
- c) an itemized list of campaign expenses incurred;
- d) the expenses and contributions relating to each fund-raising event;
- e) particulars of any loan made by the candidate for the purpose of the election campaign.

Candidates who register and file Nomination Papers must file their audited financial statement with the Campaign Expenses and Contributions Officer by May 31, 2010, 4:30 p.m.

Candidates who register but do not file Nomination Papers, or who file Nomination Papers and withdraw, must file their audited financial statement with the Campaign Expenses and Contributions Officer no later than 60 days after the By-Election, May 16, 2009, 4:30 p.m.

Any person who is elected and fails to file their audited financial statement within 60 days after May 31, 2010 will be disqualified from office. Any other registered candidate who fails to file their audited financial statement will result in that individual not being eligible to be nominated in an election as a candidate until after the next Civic Election and subject to prosecution.

Where the Campaign Expenses and Contributions Officer finds that the audited statement is incorrect or incomplete, he shall notify the registered candidate that he or she must file a further audited statement by June 30, 2010, with the Campaign Expenses and Contributions Officer.

Audited financial statements will be available for inspection upon request by any person during regular office hours.

REBATE OF ELECTION CONTRIBUTIONS

The Rebate of Election Contributions By-law No. 91/2004, entitles persons, including registered candidates, to receive a rebate for their contribution. The maximum contribution to any registered candidate for the Office of Councillor is \$750.00.

At the time of registration, candidates will be provided with Contribution Rebate Application forms.

CALCULATION OF REBATE

Rebates are calculated as follows:

- For contributions between \$25.00 and \$300.00, the rebate is 75% of the contribution
- For contributions between \$301.00 and \$1,000.00, the rebate is \$225.00 plus 50% of the difference between the contribution and \$300.00
- For contributions of more than \$1,000.00, the rebate is the lesser of:
 - i) \$575.00 plus 33 1/3% of the difference between the contribution and \$1,000.00;
 - ii) \$1,000.00

Contributions of less than \$25.00 will not receive a rebate.

An applicant who makes contributions to more than one candidate may apply for a rebate in respect of each contribution, but is not entitled to receive total rebates amounting to more than the maximum calculations above.

Please see table on Page 8 for sample calculations of contribution rebates.

TO RECEIVE A REBATE

To receive a rebate, the contributor must:

- complete the rebate application provided by the candidate
- mail the application to the City Clerk, City of Winnipeg, City Clerk's Department, Council Building, 510 Main Street, Winnipeg, MB, R3B 1B9.
- The deadline for receipt of rebate applications by the City Clerk is May 17, 2010

It is important to note that in order for the contributor to receive a rebate, the registered candidate must comply with all legislative provisions including filing his/her audited financial statement following an election and providing the City Clerk with a copy of all receipts for contributions.

Eligible rebates will be mailed out to contributors in the summer of 2010.

SAMPLE CALCULATIONS OF CONTRIBUTION REBATES

The amount of rebate paid to a contributor is based upon the total amount of all the contributions the contributor made to candidates in the election. For example, if a contributor gave \$500 each to three different candidates, the rebate is calculated based on the total contribution of \$1,500.00. The rebate payable on the \$1,500.00 would be \$741.67.

These statements, which have not been , and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the Campaign Expenses and Contributions Officer for the City of Winnipeg for complying with By-law NO. 5550/90 of the City of Winnipeg Charter. The statements are not intended to be and should not be used by anyone other than the specified users or for any other purposes.

These financial statements are the responsibility of the registered candidate and official agent. My/our responsibility is to express an opinion on these financial statements based on my/our audit.

My/our examination was made in accordance with generally accepted auditing standards. Those standards require that I/we plan and perform an audit to obtain responsible assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes such test and other procedures as I/we consider necessary in the circumstances except as explained in the following paragraph.

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, receipts and disbursements for the campaign period. Accordingly, my/our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of the candidate, in accordance with established accounting procedures and I/we was/were not able to determine whether any adjustments might be necessary to receipts and disbursements.

In my/our opinion, except for the effect of adjustments, if any, which I/we might have determined to be necessary had I/we been able to satisfy myself/ourselves as to the completeness of the records as described in the preceding paragraph, these statements present fairly the information contained in the accounting records on which the statements are based in accordance with prescribed accounting treatment.
