

**Solutions:** *The Emergent City* **READING PICTURES**

1. The old Winnipeg City Hall, demolished in the 1960s.
2. The people are members of the Winnipeg Baseball Team, ca. 1904.
3. The chain is a watch chain to connect his pocket watch (which is in a special pocket of his trousers) to his waistcoat so the watch won't get lost or stolen.
4. They are horsedrawn wagons rather than engine driven trucks. They're very small with small tanks.
5. (a) Assiniboine River  
(b) The river water is not very clean and wasn't being treated in any way before it arrived at peoples' houses.
6. The Louise Bridge and the Maryland Bridge.
7. Portage and Main.
8. Streetcars.
9. Answers will vary. The one side shows the 'bad' habits - flies, garbage and compost, uncovered food, unscreened windows in bedroom. The other side shows ways to correct these bad habits.
10. A box closet/outhouse/outdoor toilet.
11. Carnegie Public Library.
12. It is now the City of Winnipeg Archives.
