li'l critters summer fun • 3–5 years

Give your child an exciting preschool experience to remember. A different theme each week fosters socialization and new creative play experiences through crafts, games, story time, music, indoor and outdoor play. So pick a theme your child will enjoy and register early as spaces are limited. Parental participation is welcome, but not required.

Please pack a nut-free snack for your child each day. Children must be able to recognize the need to go to the washroom, be able to function in the washroom independently and must be a minimum of 3 years of age at the start of the program.

All 5-day programs are eligible for the Child Care Tax Deduction and the Children's Fitness Tax Credit.

themes

city slickers gone country

Howdy partners! Jump on your horses and mosey on over for a hoedown and knee-slappin' good time! Come join in some good ol' activities (such as tin can shoot out, lassoing) and many more western games and crafts that will knock your hat off! We will have a "hay-day" on our trip to a local farm at the end of the week. Hope y'all can come! Yee-Haw!

3, 2, 1 you're on!

new! This week is about being a movie star, singer, news reporter or just being in the media "spotlight". Find out what it feels like to be on-the-scene or behind-the-scene, as you make your own commercials, airbands, news report or advertisement billboard. We will perform our talents at the special event at the end of the week. Come be a "Star" on our "Walk of Fame"!

fear factor!

new! Do you have what it takes to face your fears? This week will be filled with different challenges, games and activities to help us conquer some of our fears. From doing different food competitions, to doing some "icky" crafts; we should be able to eliminate some of those fears that we are afraid to face. Be afraid; be very afraid!

the sky's the limit

Join us as we explore the world of aeronautics and maybe some other modes of travel. We will look out into space and study the solar system. We'll even go "beyond the outer limits" and visit the world of aliens and UFOs. So come fly with us on our intergalactic mission to learn about the universe and beyond. It will be a blast!

survivor challenge

This week we will test our skills & stamina with physical, mental and various other challenges. As a team, we will work together to gain points and immunity to stay ahead of the other camps and become the "survivor" team of the week. At the end of the week we will all meet for a "survivor challenge" special event. Are you up for the challenge to "survive"?

life's a beach!

new! Grab your sunglasses, sunscreen, swimsuit & towel and join us for some "summer fun in the sun". During this "sizzling" week, we will do an array of "hot" crafts, games and activities and then "cool" off with a splash at the beach! We will have a sand-castle building contest and beach volleyball tournament, so bring your pails and shovels too. Surf's up, tide's in; let the fun begin! It will be a "sand-sational" week!

catch the "spirit"!

new! This week is all about getting into the theme, "Spirit". Each day we will do crazy, bizarre and festive activities (such as wacky hair day, backwards day and pyjama day). Let your "creative spirit" kick-in while doing some awesome crafts. Many other "topsy-turvy" games and activities will compliment this week's excitement! We will end the week with a special Field Trip/Special Event, that you will "Cheer" about!

Daily drop-off time is 7:45–9:00 am and the pick-up time is 4:00–5:00 pm sharp! The program operates from 9:00 am–4:00 pm. Note that although supervision is provided, there are no structured programs during drop-off and pick-up times.

Please notify our office at the time of registration if your child has special needs, is on medication or has a medical condition or allergies.
