exercise your options

City of Winnipeg
Your summer fun begins here! City of Winnipeg summer camps feature a number of exciting options to keep the kids busy this summer. Available for ages 3–15 years, the camps operate during July and August and are conveniently offered at a variety of locations throughout the city.

There are many benefits to the summer camp experience, including helping to build independence and self-esteem by providing an opportunity for children to try new things. Camp is also a great way for children to meet new friends and create lasting memories while being active. Not only do camps offer a great experience for children, they also provide parents with an alternative to daycare, or just a well-deserved break. Parents can catch up with friends, relax, hit the gym or sign up for a Leisure Guide program of their own!

Flip through this brochure and check out all we have to offer this summer!

All City of Winnipeg summer programs are run by experienced and well-trained staff in order to ensure your child has a great experience. All instructors are CPR & First Aid certified and have undergone a Criminal Record Check and Safety First Orientation.
Winnipeg residents in financial need are encouraged to request a fee subsidy to participate in Community Services Department programs and services.

The following services are eligible for fee subsidies:

So pick a theme your child will enjoy and register early as spaces are limited. Parental participation is welcome, but not required.

Please pack a nut-free snack for your child each day. Children must be able to recognize the need to go to the washroom, be able to function in the washroom independently and must be a minimum of 3 years of age at the start of the program. How do you tie a good knot so you don't let the big one get away? Where do you catch, and how do you clean and cook them? You'll find the answers to these and other fishing questions at our Learn to Fish program designed to introduce Winnipeg families to exciting recreational angling action right here in Winnipeg.
