PART E – SPECIFICATIONS

Revise: E4.2 to read: As part of a trial within the collection boundaries of this contract (North East Area), it is the intention of the city in co-operation of the CBCRA to replace "Take Pride" receptacles, as listed in Appendix B, with CBCRA Garbage and Recycling receptacles (**Appendix G**). The CBCRA will remove the old "Take Pride" receptacles and supply and install the new receptacles. It is the city's intention to replace all the "Take Pride" receptacles with the new "CBCRA" Garbage and Recycling Receptacles. "CBCRA" is scheduled to start replacing the receptacles starting May 1st, 2014 with an anticipated completion by August 1, 2014. There is no guarantee of the schedule due to weather conditions and CBCRA completing the work. When the "CBCRA" receptacles are installed the contractor will be notified in writing as such. The installation of the "CBCRA" receptacles will require garbage and recycling collection at these locations.
