#### **PART B – BIDDING PROCEDURES**

Revise: B2.1 to read: The Submission Deadline is 12:00 noon Winnipeg time, June 23, 2022

#### **QUESTIONS AND ANSWERS**

- Q1: The AECOM notes in Appendix D (De Nora Shop Drawings) lead me to believe that the intention was to have an updated shop drawing set to be submitted by De Nora to be included in the Tender Package. Can you please provide the updated drawing set showing control wiring as noted by JG on April 21?
- A1: The Contractor shall submit revised De Nora shop drawings upon award of 345-2022.
- Q2: Could AECOM provide required cable sizes, rather than putting the onus on the contractor to do the calculations?
- A2: Where cables sizes have been shown on the drawings, or will be provided by De Nora, these are minimum size requirements. Cables shall be de-rated based on the contractor's installation means and methods in accordance with Section 26 05 36, 2.1.1.
