PART E – SPECIFICATIONS

- Clarification: E3.3.2 The intent of assigning days and times for deliveries, if the City elects to do so, is to assist the Contractor and other contractors in coordinating their Work and other activities on Site. Any such schedule may require adjustments during the term of the Contract because of factors such as changes in consumption rates for various chemicals, or construction and maintenance activities.
- Add: E4.10 The Contractor shall assist the City in preparing emergency response procedures for delivery, unloading and storage of methanol which will include content from the MSDS and training materials.
