PART B - BIDDING PROCEDURES

B1. PROJECT TITLE

B1.1 REQUEST FOR QUALIFICATION FOR THE PROVISION OF IT STAFF AUGMENTATION SERVICES

B2. PURPOSE OF THE REQUEST FOR QUALIFICATIONS DOCUMENT

B2.1 The purpose of this Request for Qualifications (RFQ) is to identify experienced and capable Pre-qualified Bidders to provide IT Staff Augmentation services when the City chooses to request services for short term engagements until March 31, 2016.

B2.2 The City invites qualified individuals to submit a Qualification Submission in response to this RFQ.

B2.3 After receiving the Submissions to this RFQ, the City will review all Submissions received and place most qualified Applicants on our Pre-qualified Bidders List. Only those Applicants on the Pre-qualified Bidders List will be invited to submit Engagement Proposals in response to future Requests for IT Staff Augmentation services as requested by the City.

B2.3.1 Price will be requested, and evaluated, as part of the Assignment of Engagement process in response to future Requests for IT Staff Augmentation services as requested by the City in accordance with E4.

B3. SUBMISSION DEADLINE

B3.1 The Submission Deadline is 4:00 p.m. Winnipeg time, March 24, 2014.

B3.2 Bid Submissions determined by the Manager of Materials to have been received later than the Submission Deadline will not be accepted and will be returned upon request.

B3.3 The Contract Administrator or the Manager of Materials may extend the Submission Deadline by issuing an addendum at any time prior to the time and date specified in B3.1.

B4. ENQUIRIES

B4.1 All enquiries shall be directed to the Contract Administrator identified in D4.1.

B4.2 Any Applicant who has questions as to the meaning or intent of any part of this document or who believes this document contains any error, inconsistency or omission should make an enquiry prior to the Submission Deadline requesting clarification, interpretation or explanation in writing to the Contract Administrator.

B4.3 If the Applicant finds errors, discrepancies or omissions in the document, or is unsure of the meaning or intent of any provision therein, the Applicant shall promptly notify the Contract Administrator of the error, discrepancy or omission at least five (5) Business Days prior to the Submission Deadline.

B4.4 If the Applicant is unsure of the meaning or intent of any provision therein, the Applicant should request clarification as to the meaning or intent prior to the Submission Deadline.

B4.5 Responses to enquiries which, in the sole judgment of the Contract Administrator, require a correction to or a clarification of the RFQ will be provided by the Contract Administrator to all Applicants by issuing an addendum.

- B4.6 Responses to enquiries which, in the sole judgment of the Contract Administrator, do not require a correction to or a clarification of the RFQ will be provided by the Contract Administrator only to the Applicant who made the enquiry.
- B4.7 The Applicant shall not be entitled to rely on any response or interpretation received pursuant to B4 unless that response or interpretation is provided by the Contract Administrator in writing.

B5. ADDENDA

- B5.1 The Contract Administrator may, at any time prior to the Submission Deadline, issue addenda correcting errors, discrepancies or omissions in the RFQ, or clarifying the meaning or intent of any provision therein.
- B5.2 The Contract Administrator will issue each addendum at least two (2) Business Days prior to the Submission Deadline, or provide at least two (2) Business Days by extending the Submission Deadline.
- (a) The Addenda will be available on the Bid Opportunities page at the Materials Management Division's website at <http://www.winnipeg.ca/matmgt/bidopp.asp>
- B5.2.1 The Applicant is responsible for ensuring that he/she has received all addenda and is advised to check the Materials Management Division's website for addenda regularly and shortly before the Submission Deadline, as may be amended by addendum.
- B5.3 The Applicant should acknowledge receipt of each addendum on Form A: Request for Qualification Application.

B6. QUALIFICATION SUBMISSION

- B6.1 The Qualification Submission shall consist of the following components:
- (a) Form A: Request for Qualification Application (Section A);
- (b) Experience of Applicant (Section B);
- (c) Credentials (Section C);
- (d) Applicant's Staff Augmentation Resource Strength (Section D).
- B6.2 The Qualification Submission shall be submitted enclosed and sealed in an envelope clearly marked with the Qualification Opportunity number and the Applicant's name and address.
- B6.2.1 Samples or other components of the Qualification Submission which cannot reasonably be enclosed in the envelope may be packaged separately, but shall be clearly marked with the Qualification Opportunity number, the Applicant's name and address, and an indication that the contents are part of the Applicant's Qualification Submission.
- B6.3 Qualification Submissions submitted by facsimile transmission (fax) or internet electronic mail (e-mail) will not be accepted.
- B6.4 Qualification Submissions shall be submitted to:
- The City of Winnipeg
Corporate Finance Department
Materials Management Division
185 King Street, Main Floor
Winnipeg MB R3B 1J1
- B6.5 Applicants are advised that inclusion of terms and conditions inconsistent with the RFQ document will be evaluated in accordance with B22.1(a).

- B6.6 All Submissions received in response to this RFQ will be kept in confidence with the sole purposes of evaluating and developing the best possible strategic option for the City.
- B6.7 Submissions and the information they contain will be the property of the City upon receipt. No Submissions will be returned.

Format

- B6.8 Proponents should submit one (1) unbound original (marked "original") and five (5) copies plus one (1) copy in an MSOffice compatible electronic format on a standard CD. If there is any discrepancy between the electronic version and the original hard copy, the original hard copy shall take precedence.
- (a) Each requirement should be addressed in a separate section clearly marked with the corresponding letter;
- B6.9 The City reserves the right to make additional copies of all Submissions for its internal review process and to provide such copies to its staff and external advisors.

B7. QUALIFICATION APPLICATION

- B7.1 Further to B6.1(a), the Applicant shall complete Form A: Request for Qualifications Application making all required entries.
- B7.2 Paragraph 2 of Form A: Request for Qualifications Application shall be completed in accordance with the following requirements:
- (a) if the Applicant is a sole proprietor carrying on business in his/her own name, his/her name shall be inserted;
- (b) if the Applicant is a partnership, the full name of the partnership shall be inserted;
- (c) if the Applicant is a corporation, the full name of the corporation shall be inserted;
- (d) if the Applicant is carrying on business under a name other than his/her own, the business name and the name of every partner or corporation who is the owner of such business name shall be inserted.
- B7.2.1 If the Submission is submitted jointly by two or more persons, each and all such persons shall identify themselves in accordance with B7.2.
- B7.3 In Paragraph 3 of Form A: Request for Qualifications Application, the Applicant shall identify a contact person who is authorized to represent the Applicant for purposes of this RFQ.
- B7.4 Paragraph 7 of Form A: Request for Qualification Application should be signed in accordance with the following requirements:
- (a) if the Applicant is a sole proprietor carrying of business in his/her own name, it shall be signed by the Proponent;
- (b) if the Applicant is a partnership, it shall be signed by the partner or partners who have authority to sign for the partnership;
- (c) if the Applicant is a corporation, it shall be signed by its duly authorized officer or officers and the corporate seal, if the corporation has one, should be affixed;
- (d) if the Applicant is carrying on business under a name other than his/her own, it shall be signed by the registered owner of the business name or by the registered owner's authorized officials if the owner is a partnership or a corporation.
- B7.5 The name and official capacity of all individuals signing Form A: Request for Qualification Application should be printed below such signatures.

- B7.6 All signatures should be original.
- B7.7 If a Submission is submitted jointly by two or more persons, the word "Applicant" shall mean each and all such persons, and the undertakings, covenants and obligations of such joint Applicants in the Submission, shall be both jointly and several.

B8. QUALIFICATION

- B8.1 The Applicant shall:
- (a) undertake to be in good standing under The Corporations Act (Manitoba), or properly registered under The Business Names Registration Act (Manitoba), or otherwise properly registered, licensed or permitted by law to carry on business in Manitoba;
 - (b) be responsible and not be suspended, debarred or in default of any obligation to the City;
 - (c) be financially capable of carrying out the terms of the Contract;
 - (d) have all the necessary experience, capital, organization, and equipment to perform the Work in strict accordance with the terms and provisions of the Contract;
 - (e) have successfully carried out work, similar in nature, scope and value to the Work;
 - (f) employ only Subcontractors who:
 - (i) are responsible and not suspended, debarred or in default of any obligation to the City (a list of suspended or debarred individuals and companies is available on the Information Connection page at The City of Winnipeg, Corporate Finance, Materials Management Division internet site at <http://www.winnipeg.ca/matmgt>); and
 - (ii) have successfully carried out work similar in nature, scope and value to the portion of the Work proposed to be subcontracted to them, and are fully capable of performing the Work required to be done in accordance with the terms of the Contract;
 - (g) have a written workplace safety and health program in accordance with The Workplace Safety and Health Act (Manitoba);
- B8.2 The Applicant shall be prepared to submit, within three (3) Business Days of a request by the Contract Administrator, proof satisfactory to the Contract Administrator of the qualifications of the Applicant and of any proposed Subcontractor.
- B8.3 The Applicant shall provide, on the request of the Contract Administrator, full access to any of the Applicant's equipment and facilities to confirm, to the Contract Administrator's satisfaction, that the Applicant's equipment and facilities are adequate to perform the Work.

B9. EXPERIENCE OF APPLICANT

- B9.1 The Applicant shall submit information in sufficient detail for the City to evaluate the qualifications of the Applicant(s) by providing:
- (a) their organization, management and business model;
 - (b) the number of clients similar in size and scope;
 - (c) references for recent engagements/projects similar in size and scope for each category in Section E3 should be provided. The number of references provided is at each Applicant's discretion but should be sufficient to clearly demonstrate the Applicant's expertise. Each reference should consist of a company name, contact name, email address, phone number and a brief description of the project.

B10. CREDENTIALS

- B10.1 The Applicant shall submit an executive summary highlighting the elements of your company's approach to and experience in addressing Staff Augmentation needs similar to that of the City's. More specifically:
- (a) your business strategy, as it relates to these Staff Augmentation agreements;
 - (b) your Staff Augmentation business model and resourcing approach (independents, subcontractors, employees);
 - (c) your process for matching and providing staff for the City's anticipated Engagement requirements (see E3);
 - (d) your company's recruitment/retention processes and standards;
 - (e) your approach to staff training and relevant staff training metrics; and
 - (f) your proposed process to replace personnel who leave during an Engagement or don't perform to the City's satisfaction.
- B10.2 For the above, please highlight what makes your approach unique or superior in addressing the City's Staff Augmentation requirements. Applicants should mention each section (B10.1(a) – B10.1(f)) in their executive summary and limit their executive summary to a maximum of five (5) pages.

B11. APPLICANT'S STAFF AUGMENTATION RESOURCE STRENGTH

- B11.1 The Applicant shall submit, for each category of service (see E3) applying for, the following information that highlights and fairly represents the qualifications and availability of Staff Augmentation resources that your company can supply for anticipated Engagements:
- (a) average time required to provide augmentation resources when requested; and
 - (b) as many resumes (and qualification certificates) of augmentation resources as you deem necessary to demonstrate and fairly represent the strength and relevance of your resources in relation to anticipated City Engagements.
- B11.2 While remote 'off site' Staff Augmentation arrangements may be arranged for (at the sole discretion of the City) – all Staff Augmentation proposals are to be based on Work at City of Winnipeg premises.
- B11.3 Category evaluations, as outlined in Section E3 will be based on the provided resumes.

B12. SUBSTITUTIONS

- B12.1 If, following your Submission, you become aware that any Persons identified to participate in this Work will be unable or is likely to be unable to participate, you must immediately advise the Contract Administrator and indicate your proposed substitute Person. Failure to do so may result in disqualification of your Submission from the RFQ process.

B13. NON-CONFORMING SUBMISSIONS

- B13.1 Notwithstanding B22.1, with the exception of B3.2, if an Applicant's Submission is not strictly in accordance with any provision of this RFQ, the City may, at its option:
- (a) waive the non-conformance if, in the City's opinion, the non-conformance is immaterial; or
 - (b) reject the Submission as non-responsive if, in the City's opinion, the non-conformance is material.

B13.1.1 If the non-conformance is an omission, the City may, at its discretion, give the Applicant up to five (5) Business Days to supply the omitted material.

B13.2 If the requested information is not submitted by the time specified in B13.1.1, the Submission will be determined to be non-responsive.

B14. NO COLLUSION

B14.1 Upon making a Submission to this RFQ, each Applicant shall declare that they have not participated in any collusive scheme or combine.

B14.2 Applicants must ensure that their participation in this RFQ is conducted without collusion or fraud on their part or any of their team. Applicants and their team members shall not engage in discussions or other communications with any other Applicants or their team members regarding the preparation or submission of their responses to this RFQ. Breach of this provision may result in disqualification from the RFQ process or, if the City becomes aware of your breach of this provision after the Engagement Proposal has been issued, from the Engagement Proposal process.

B15. NO LOBBYING

B15.1 Any form of political or other lobbying whatsoever in relation to the Pre-qualification of Applicants or with a view to influencing the outcome of this RFQ process is strictly prohibited. Failure to comply with this provision may result in disqualification from the RFQ process or, if the City becomes aware of your breach of this provision after the Engagement Proposal has been issued, disqualification from the Engagement Proposal process.

B16. APPLICANT'S COSTS AND EXPENSES

B16.1 Applicants are solely responsible for their own costs and expenses in preparing and submitting a Qualification Submission and participating in the RFQ, including the provision of any additional information or attendance at meetings.

B16.2 If an Applicant is successful and becomes part of the City's Pre-qualified Bidders List, all costs and expenses incurred to prepare and submit responses to the City's future Requests for IT Staff Augmentation services will be borne by the Pre-qualified Bidder.

B17. CONFIDENTIALITY AND PRIVACY

B17.1 Information provided to an Applicant by the City or acquired by an Applicant by way of further enquiries or through investigation is confidential. Such information shall not be used or disclosed in any way without the prior written authorization of the City. The Applicant shall not make any statement of fact or opinion regarding any aspect of the RFQ and any subsequent proposal to the media or any member of the public without the prior written authorization of the City.

B17.2 The protection of personal information and privacy will be fundamental aspects of the Project. Applicants shall comply with all applicable privacy legislation, including but not limited to the Personal Information Protection and Electronic Documents Act (Canada) ("PIPEDA"). In addition, Applicants are advised that the City is subject to The Freedom of Information and Protection of Privacy Act (Manitoba) ("FIPPA") and that the Applicant will be expected to comply with the obligations imposed upon the City pursuant to FIPPA.

B17.3 To the extent permitted, the City shall treat all Submissions as confidential. However, the Applicant is advised that any information contained in any Submission may be released if

required by City policy or procedures, by FIPPA, by other authorities having jurisdiction, or by law.

B17.4 All Qualification Submissions submitted to the City will be kept in confidence with the City for the sole purposes of evaluating and developing the best possible strategic option for the City. Qualification Submissions will become the property of the City. The City will have the right to make copies of all Submissions for its internal review process and to provide such copies to its staff and/or external advisors and representatives.

B17.5 All information will become and remain the property of the City; none will be returned. If the application contains any proprietary or trade secret information, said information must be indicated as such.

B18. PROCUREMENT PROCESS

B18.1 The first stage of the procurement process for the Work is this RFQ. The City will qualify all Applicants that meet our minimum threshold for acceptance.

B18.2 Following completion of the RFQ stage, Applicants will be placed on our Pre-qualified Bidders List and invited to provide detailed proposals in response to future staffing requests.

B18.3 Details on the staff augmentation process are specified in E4.

B19. OPENING OF BIDS AND RELEASE OF INFORMATION

B19.1 Qualification Submissions will not be opened publicly.

B20. NOTIFICATION OF STATUS

B20.1 All Applicants submitting this Qualification Application shall be notified in writing regarding the acceptability of their submission.

B20.2 The Request for Qualification does not commit the City to award any contracts or to defray any costs incurred in the preparation and submission of data pursuant to this request.

B20.3 The City reserves the right to re-issue this Request for Qualifications in the event that there are not enough Pre-qualified Bidders on the list.

B21. EVALUATION SCHEDULE

B21.1 The City intends to complete the evaluation of the Qualification Submissions by March 31, 2014.

B21.2 Estimated Preliminary Schedule

Phase	Approximate Date(s)
1. RFQ Process	March 7 – 24, 2014
2. Evaluation/Shortlist of Applicants	March 25 – 31, 2014

B22. EVALUATION OF QUALIFICATION

B22.1 Submissions shall be based on the following criteria:

- (a) Completeness of responses to stated requirements (pass/fail);

- (b) Qualifications of the Bidder and the Subcontractors, if any, pursuant to B8 (pass/fail);
- (c) Experience of Applicants 30%;
- (d) Credentials 40%;
- (e) Applicant's Staff Augmentation Resource Strength 30%.

- B22.2 Further to B22.1(a), the City may reject a Submission as being non-responsive if the Submission is incomplete, obscure or conditional, or contains additions, deletions, alterations or other irregularities. The City may reject all or any part of any Submission, or waive technical requirements or minor informalities or irregularities if the interests of the City so require.
- B22.3 Further to B22.1(b) the Award Authority shall reject any Qualification submitted by an Applicant who does not demonstrate, in his Qualification Submission or in other information required to be submitted, that he is responsible and qualified.
- B22.4 Further to B22.1(c), experience of applicants shall be evaluated considering the information submitted in reference to the Proponent's organization and plan, project experience and references submitted.
- B22.5 Further to B22.1(d), credentials shall be evaluated considering the information submitted in reference to the Proponent's organization and plan, project experience and references submitted.
- B22.6 Further to B22.1(e), Applicant's staff augmentation resource strength shall be evaluated considering the information submitted in reference to the Proponent's organization and plan, project experience and references submitted.
- B22.7 Reference checks to confirm information provided may not be restricted to only those submitted by the Proponent, and may include organizations representing Persons, known to have done business with the Proponent.
- B22.8 The City has full power to conduct an independent verification of information in any Submission received and generally pertaining to the qualifications and experience of the Applicant and any proposed members of its team.
- B22.9 The City may, in its sole discretion, interview any or all Applicants during the evaluation process, to provide clarification or additional information in relation to its Submission.

B23. NO CONTRACT

- B23.1 By submitting a Qualification Submission and participating in the process as outlined in this document, Applicants expressly agree that no contract of any kind is formed under, or arises from this RFQ, and that no legal obligations will arise.
- B23.2 Although it is the intention of the City to establish a Pre-qualified Bidders List of Bidders to participate in future requests for IT Staff Augmentation services, the City reserves the right and the full power to give notice in writing of any change to its Contract Administrator, amend any dates, schedules, limits and Scope of Work and any contract awarded, or to reject any and all Submissions, to launch a new or amended procurement process, or to decide that it will not issue the request for IT Staff Augmentation services, without incurring any liability in respect of costs or damages incurred by any Applicant or any member of a private sector team.
- B23.3 Without limiting the generality of the foregoing, the City reserves the right and the full power to amend or cancel this RFQ, the procurement process or the Work at any time.

- B23.4 When the City proceeds to issue requests for IT Staff Augmentation services to Pre-qualified Bidders determined to be qualified under the RFQ process, the City will have no obligation to award a Contract where:
- (a) only one Submission is received; or
 - (b) in the judgment of the City, the interests of the City would best be served by not entering into a Contract.
- B23.5 The City reserves the right to disqualify any Applicant whose Submission, in the opinion of the City, contains false or misleading information.
- B23.6 Following the conclusion of the RFQ process, Applicants will be provided with information related to the evaluation of their Submission upon written request to the Contract Administrator.

PART C - GENERAL CONDITIONS

C0. GENERAL CONDITIONS

- C0.0 The General Conditions for Supply of Services (Revision 2007 04 12) are applicable to the Work of the Contract.
- C0.1 The General Conditions for Supply of Services are available on the Information Connection page at The City of Winnipeg, Corporate Finance, Materials Management Division website at http://www.winnipeg.ca/matmgt/gen_cond.stm
- C0.2 A reference in the proposal to a section, clause or subclause with the prefix "C" designates a section, clause or subclause in the General Conditions for Supply of Services.

PART D - SUPPLEMENTAL CONDITIONS

D1. GENERAL CONDITIONS

D1.1 In addition to the *General Conditions for Supply of Services*, these Supplemental Conditions are applicable to the Work of the Contract.

D2. SCOPE OF WORK

D2.1 The Work to be done under the "Pre-qualified Bidders List" for IT Staff Augmentation engagements are for various categories of IT services for all City departments and Special Operating Agencies until March 31, 2016.

D2.2 The categories of service are as follows:

- (a) Project Management;
- (b) Application Solutions;
- (c) Data Management & Business Intelligence;
- (d) Geographic Information System (GIS);
- (e) Desktop Management;
- (f) IS Service Desk;
- (g) Server Platform Management;
- (h) Middleware Management;
- (i) Storage Management;
- (j) Connectivity;
- (k) Web Designer/Website Content Writer;
- (l) Business Analysis;
- (m) Solution Design/Package Selection;
- (n) Payment Card Industry (PCI) Consulting and Vulnerability Assessment;
- (o) Radio Communications And Electronics.

D3. DEFINITIONS

D3.1 When used in this Request for Qualification:

- (a) **"Applicant"** means any person or consortium submitting a Qualification Submission in response to this Request for Qualifications;
- (b) **"Engagement"** means a specific requirement for staff augmentation services requested by the City in the form of a Request for IT Services to Applicants on the Pre-qualification List;
- (c) **"Engagement Proposal"** means an Applicant's response to a Request for IT Services which shall be in the form of the proponents choosing which ensures the requirements as noted on Appendix A are duly noted;
- (d) **"may"** indicates an allowable action or feature which will not be evaluated;
- (e) **"must"** or **"shall"** indicates a mandatory requirement which will be evaluated on a pass/fail basis;

- (f) **"Person"** means an individual, firm, partnership, association or corporation, or any combination thereof, and includes heirs, administrators, executors or legal representatives of a person;
- (g) **"Pre-qualification List"** means the single list of Pre-qualified Bidders established for all categories of service, in accordance with the provisions hereof (sometimes called a standing offer or master agreement).
- (h) **"Request for IT Services"** means a request issued to an Applicant which shall be in the form attached as Appendix A;
- (i) **"should"** indicates a desirable action or feature which will be evaluated on a relative scale;
- (j) **"Submission or Qualification Submission"** means that portion of the Request for Qualification which must be completed or provided and submitted by the Submission Deadline;
- (k) **"User"** means a person, department or other administrative unit of the City authorized by the Contract Administrator to order Work under this Request for Qualification.

D4. CONTRACT ADMINISTRATOR

- D4.1 The Contract Administrator is:
Stewart Bidinosti
Manager, Project Manager Office (PMO)
Telephone No. 204- 986-3111
Facsimile No. 204- 986-5966

D5. SUSPENSION AND REMOVAL FROM THE PRE-QUALIFIED BIDDERS LIST

- D5.1 Suspension from the Pre-qualified Bidders List may be made by the Contract Administrator, at his/her sole discretion, for any failure on the part of the Contractor to meet any of the obligations in the Work resulting from this Request for Qualification or the inability of the Pre-qualified Bidder to present proposals in response to staffing requests.

SUBMISSIONS

D6. AUTHORITY TO CARRY ON BUSINESS

- D6.1 The Contractor shall be in good standing under The Corporations Act (Manitoba), or properly registered under The Business Names Registration Act (Manitoba), or otherwise properly registered, licensed or permitted by law to carry on business in Manitoba, or if the Contractor does not carry on business in Manitoba, in the jurisdiction where the Contractor does carry on business, throughout the term of the Contract, and shall provide the Contract Administrator with evidence thereof upon request.

D7. WORKERS COMPENSATION

- D7.1 The Contractor shall be registered with the Workers Compensation Board of Manitoba, shall provide and maintain Workers Compensation coverage throughout the term of the Pre-qualified Bidders List, and shall provide the Contract Administrator with evidence thereof upon request.

D8. INSURANCE

- D8.1 The Contractor shall provide and maintain the following insurance coverage:

- (a) commercial general liability insurance, in the amount of at least two million dollars (\$2,000,000.00) all inclusive, with The City of Winnipeg being added as an additional insured, with a cross-liability clause, such liability policy to also contain a contractual liability, an unlicensed motor vehicle liability and a products and completed operations endorsement to remain in place at all times during the performance of the Work and throughout the warranty period;
- (b) automobile liability insurance for owned and non-owned automobiles used for or in connection with the Work in the amount of at least two million dollars (\$2,000,000.00) at all times during the performance of the Work.

D8.2 Deductibles shall be borne by the Contractor.

D8.3 Pre-qualified Bidders shall provide the Contract Administrator with a certified true copy or a certificate of insurance of each policy, in a form satisfactory to the City Solicitor no later than seven (7) Calendar Days from notification by the Contract Administrator. The said insurance shall be in place with the City during the period stated in B2.1.

D8.4 The Contractor shall not cancel, materially alter, or cause each policy to lapse without providing at least thirty (30) Calendar Days prior written notice to the Contract Administrator.

D8.5 The City shall have the right to alter the limits and/or coverages as reasonably required from time to time during the continuance of this agreement.

D9. NON-DISCLOSURE

D9.1 Pre-qualified Bidders must not disclose any details pertaining to their RFQ and the selection process in whole or in part to anyone not specifically involved in their Submission, without the prior written approval of the City. Pre-qualified Bidders shall not issue a news release or other public announcement pertaining to details of their Qualification Submission or the selection process without the prior written approval of the City.

D9.2 Pre-qualified Bidders are advised that an attempt on the part of any Applicant or any of its employees, agents, contractors or representatives to contact any members of City Council or their staff or any member of City Administration other than the Contract Administrator with respect to this RFQ solicitation, may lead to disqualification.

PART E - SPECIFICATIONS

GENERAL

E1. EXECUTIVE SUMMARY AND BACKGROUND

- E1.1 City of Winnipeg Public Service has received Council approval to proceed with a Request for Qualification of IT Staff Augmentation Services.
- E1.2 The City of Winnipeg understands that its internal support operations / services (including IT services) must be provided in the most cost effective manner. Many senior managers in the City consider more, and more effective, IT investment as one of the few levers available to close the gap between service demand and service affordability.
- E1.3 The City will, based upon the evaluated Submissions, establish a single Pre-qualified Bidders List of pre-qualified Bidders (Contractors) for the various categories of IT services identified in E3. The City intends to solicit bids from all Pre-qualified Bidders on the Pre-qualified Bidders List.
- E1.4 During the term of the Contract, as services are required for various Engagements, the City will assign Work to Pre-qualified Bidders in accordance with the process outlined in E4.

E2. WINNIPEG

- E2.1 Winnipeg is an important Canadian city, and the capital of the Province of Manitoba. Located in Western Canada, Winnipeg plays a prominent role in transportation, finance, manufacturing, agriculture and education. It is known as the Gateway to the West. The City is located near the geographic centre of North America. It lies in a flood plain at the confluence of the Red and Assiniboine rivers and started around the point now commonly known as The Forks. It is protected from flooding by the Red River Floodway. Winnipeg covers an area of 663 square kilometers.
- E2.2 The City of Winnipeg is the Capital city of the Province of Manitoba with a population of over 650,000. Composed of a broad range of diverse neighbourhoods and communities with numerous attractions (from arts and culture to sports and entertainment), Winnipeg is recognized as one of Canada's finest places to live, work and play. The City employs over 8,000 people and provides a full range of municipal services to the citizens of Winnipeg.
- E2.3 The political representation for the City is a Mayor and 15 Councillors, each representing a city ward. The current Mayor and Council were elected in October 2010. Their term of office ends in 2014.
- E2.4 The administrative structure for the City is a Chief Administrative Officer (CAO) providing overall supervision for the following departments: Corporate Finance, Assessment and Taxation, Internal Services, Community Services, Fire Paramedic Service, Winnipeg Police Service, Public Works, Transit, Water and Waste, and Planning, Property and Development.
- E2.5 Since 1992, overall municipal government revenues have not changed significantly. However, there has been a shift. Taxation revenues have decreased and fees and charges have increased. Property and business taxes made up 51% of the City's revenues in 1992. In 2003, these same revenues accounted for 43% - a \$66 million reduction. During this same period, user fees and charges increased from 25% to 31% of City revenues – a \$66 million increase.
- E2.6 The City provides many services to its citizens. By service, the representation is distributed as follows: Public Safety (25%), Transportation (23%), Environmental (23%), Planning and

Development (4%), Leisure and Wellness (15%), Internal Support (10%). For additional information on City services, refer to the City of Winnipeg web site at:

<http://winnipeg.ca/interhom/Departments/>

E3. SERVICE CATEGORIES

E3.1 These specifications shall apply to the categories of IT services described below except as may otherwise be provided in the Request for IT Services.

E3.2 PROJECT MANAGEMENT:

E3.2.1 Category Description:

- (a) Project Management resources will plan, organize and manage all aspects of a project. The requested work may include project initiation, project planning, project execution and project closure.

E3.3 APPLICATION SOLUTIONS:

E3.3.1 Category Description:

- (a) Application Solutions resources will turn a business problem or opportunity into a new application, upgrade an existing application, or provide continued support to an existing application. The requested work may include consulting, business case development, application development, application support and developing and presenting training program. The resource of the application development is to plan, design, develop and maintain the City's business applications, based on the requirements gathered and documented by the business.

E3.4 DATA MANAGEMENT & BUSINESS INTELLIGENCE:

E3.4.1 Category Description:

- (a) Data Management resources will manage the data of City's business effectively; for both geographic and non-geographic data. The requested work may include data architecture, data warehouse development and support, database management, data security and data quality.
- (b) Business Intelligence resources will provide the decision-making solution for supporting the City's business. The work may include development of data reporting, data analysis and data mining solutions.

E3.5 GEOGRAPHIC INFORMATION SYSTEM (GIS):

E3.5.1 Category Description:

- (a) GIS Developer resources will develop, support and operate information systems involving Geographical Information Systems (GIS). The requested work will involve code development and data integration all targeted to promote the sharing of geographic and non-geographic data at the City in various unique forms, including maps. The following skill sets would be required:
 - (i) Database expertise using Oracle Spatial.
 - (ii) GIS expertise using Intergraph's GeoMedia Web Map and GeoMedia Pro.
- (b) GIS Technologist resources will conduct the ongoing maintenance of various digital geographic data for the City such as address points and assessment parcel polygons. The technologist is also involved in corporate access to GIS data and produces requested electronic or hard copy map products and provides GIS analysis/consultation services. The following skills set would be required:
 - (i) Strong GIS skills using Intergraph's GeoMedia Pro and MapInfo;

- (ii) Database expertise using Oracle Spatial and MS Access;
- (iii) Cartography best practices.

E3.6 DESKTOP MANAGEMENT:

E3.6.1 Category Description:

- (a) Desktop Management resources will effectively manage and configure the computer hardware and software for the end Users. The requested service may include:
 - (i) installation, move, add, change the desktop hardware and software;
 - (ii) resolved problems associated with the usage of the hardware and software of the desktop environment.

E3.7 IS SERVICE DESK:

E3.7.1 Category Description:

- (a) IS Service Desk resources will follow pre-defined incident and problem management procedures through a central point of contact. The IS Service Desk will take the call, record it in a database, and provide guidance and assistance to address IS concerns.

E3.8 SERVER PLATFORM MANAGEMENT:

E3.8.1 Category Description:

- (a) Server Platform Management resources will manage effectively the server hardware and support as well as operating system. The requested work may include the installation, upgrade, support of the server as well as server monitoring and server optimization.

E3.9 MIDDLEWARE MANAGEMENT:

E3.9.1 Category Description:

- (a) Middleware Management resources will provide a robust, well managed and secured environment for the web applications, application data and application server. The requested work may include:
 - (i) installation, upgrade, maintenance and support of web software, database software and/or application software;
 - (ii) performance tuning on web environment, database environment and application /middle-tier environment as well as monitoring and optimization;
 - (iii) management of the hosting environment for the application data on the database and/or fileserver, based on the requirements gathered and documented by the business.

E3.10 STORAGE MANAGEMENT:

E3.10.1 Category Description:

- (a) Storage Management resources will provide a robust, well managed and secured storage capabilities. The requested work may include storage relocation from one server to another sever, cost optimization through storage tier options, etc.

E3.11 CONNECTIVITY:

E3.11.1 Category Description:

- (a) Connectivity resources will provide the ability to securely connect desktops and servers to the City's internal network from any site within the City's network and internal and external networked-based resources and applications. The requested work may include:

- (i) provide an access to applications, systems and resources located in multiple data centres - internally or on the Internet;
- (ii) transfer data back and forth, permitting City's employees to communicate electronically;
- (iii) provide secure network connectivity for desktops, servers, applications and site-to-site Connections to Local Area Networks (LAN);
- (iv) Wireless Local Area Network (WLAN) and roaming wireless data services;
- (v) mobile email access;
- (vi) provide secure access to the City's email system;
- (vii) provide network performance monitoring and optimization.

E3.12 WEB DESIGNER/WEBSITE CONTENT WRITER:

E3.12.1 Category Description:

- (a) Web Designer/Website Content Write resources will facilitate the communication between the City and its citizens through the World Wide Web. The work may include creating the look and feel of Web pages, creating and/or modifying the Web pages that effectively communicates the ideas being promoted by the City's Web site.

E3.13 BUSINESS ANALYSIS

E3.13.1 Category Description

- (a) Business Analyst resources will elicit, analyze, specify, and validate the business needs of project stakeholders. This work may include reviewing available documentation, performing environmental scans, interviewing stakeholders, and analyzing work processes in order to gather and document user and organizational requirements. The work produced by Business Analyst resources may be used by project decision makers and software development/package implementation teams throughout the project lifecycle. Work produced may include Business Cases, Feasibility Studies, 'Use Cases'/'User Stories', Functional and Non-Functional Requirements, and Business Process Improvement reports. The following skill set would be required:
 - (i) Strong verbal and written communication and facilitation skills;
 - (ii) Proven experience with business and technical requirements analysis, elicitation, process modeling, and requirements verification;
 - (iii) Expertise in system development methodologies, project lifecycles, and project planning including resource, cost, and schedule estimation;
 - (iv) Knowledge of current software, network, and hardware standards, trends and capabilities.

E3.14 SOLUTION DESIGN/PACKAGE SELECTION

E3.14.1 Category Description

- (a) Solution Design/Package Selection resources will develop and document detailed technical designs and/or technical specifications that satisfy business and organizational requirements. This work may include assisting project stakeholders in validating and prioritizing business requirements and preparing conceptual models and descriptions of the end-to-end solution for project decision makers. This work may also include the creation of detailed systems models, specifications, diagrams, and other descriptions to provide direction to software development or system procurement teams. Work produced may include documented Solution Architectures, Technical Design Specifications, Software Package Recommendations, Project/Solution Implementation Plans, and Systems Cost/Benefit/Investment Analysis. The following skill set would be required:

- (i) Strong verbal and written communication skills and facilitation skills;
- (ii) Extensive experience creating detailed technical specifications, systems and integrated architectures and designs;
- (iii) Expertise in system development methodologies, software and hardware evaluation and selection;
- (iv) Expertise in project management including resource, cost and schedule estimation;
- (v) In-depth technical knowledge of current software, network and hardware standards, trends, capabilities and best practices.

E3.15 PAYMENT CARD INDUSTRY (PCI) CONSULTING AND VULNERABILITY ASSESSMENT:

E3.15.1 Category Description

- (a) PCI Consulting resources will provide a wide range of services. We will seek guidance and certification resources to ensure the City remains compliant with the PCI standards. Vendor qualifications should include:
 - (i) QSA-C Certification from the PCI Standards Council;
 - (ii) QSA certification for employed staff;
 - (iii) not be in remediation status with the PCI Council;
 - (iv) complete familiarity with:
 - ◆ The various PCI SAQ types and requirements for completion;
 - ◆ The most current version of the PCY-DSS standard and the ability to assist with transition from previous versions;
 - ◆ The PCI Council's Prioritized Approach methodology for substantiating PCI compliance;
- (b) Vulnerability assessments (VAs) are completed on a regular basis by the City. As threat sources change and new tools evolve to mitigate risks, the City will be seeking skilled resources to ensure we maintain a secured environment. The City's VA initiative extends beyond just the assessments themselves and discovery of threats; and includes:
 - (i) Discovery of vulnerabilities and weaknesses in applications on various platforms, using a variety of ASV-approved tools and the portal level and local network level;
 - (ii) Explanation of the exposures found and how they could be exploited;
 - (iii) Recommendations for remediation of the vulnerabilities based on industry standards;
 - (iv) Assurance that remediation exercises, once completed, have been successful by undertaking additional vulnerability scans;
 - (v) Where remediation is not possible or practical, recommendation and documentation of compensating controls that address risk.

E3.16 RADIO COMMUNICATIONS AND ELECTRONICS:

E3.16.1 Category Description:

- (a) Radio Communications and Electronics resources will provide a wide range of communication services. The requested work may include the acquisition, installation, maintenance and support of:
 - (i) Radio System Support;
 - (ii) Telephone & Cellular;
 - (iii) Mobile Data;

- (iv) Specialized Electronic Support;
- (v) CCTV/Video;
- (vi) Alarm Systems;
- (vii) PA / Audio Systems.

- E3.17 Notwithstanding D2.2, the City shall have the right to alter the category of services as reasonably required from time to time during the term specified in B2.1.
- E3.18 The scope of the Work, for each Engagement, will be specified in the Request for IT Staff Augmentation Services which will be issued in the form similar to attached Appendix A. Duration of Engagement could be up to 12 months. Time elapsed between date of issue and response requested will range from two days to two weeks. Commencement of work dates will follow response requested date on average by two weeks.
- E3.19 No Request for IT Services will be issued for:
- (a) services within the scope of other contracts currently in effect;
 - (b) services for projects of a size, nature or time frame that, in the sole judgment of the City, require a separate solicitation of offers.

E4. ASSIGNMENT OF ENGAGEMENTS

- E4.1 When, during the term specified in B2.1, services are required for a project, the Contract Administrator will issue a Request for IT Staff Augmentation Services in the form similar to attached as Appendix A, to the Pre-qualified Bidders on the Pre-qualified Bidders List.
- E4.2 Each Request for IT Staff Augmentation Services will be forwarded to all Pre-qualified Bidder(s) on the Pre-qualified Bidders List. The Bidder(s) are invited to submit an Engagement Proposal in accordance with the procedure set forth below.
- E4.3 Upon receipt of the Request for IT Staff Augmentation Services, the Pre-qualified Bidder(s) shall familiarize themselves with the location, extent and purpose of the Work and shall determine the adequacy of the information contained in the Request for IT Staff Augmentation Services and the actual conditions and requirements of the Work. Under certain circumstances, the User may optionally request that the Pre-qualified Bidder(s) provide resumes for the proposed personnel and/or participate in an interview process.
- E4.4 The Pre-qualified Bidder(s) shall, no later than the date shown on the Request for IT Staff Augmentation Services, submit:
- (a) an Engagement Proposal, in a format of the Pre-qualified Bidder's choosing which ensures the requirements as noted on Appendix A are duly noted.
- E4.5 Notwithstanding C22 Notices, the Engagement Proposal E4.4(a) above, will be submitted via electronic mail (email) to the Contract Administrator submitting Appendix A: Request for IT Staff Augmentation Services.
- E4.6 Notwithstanding E4.2, the City shall not be required to submit a Request for IT Staff Augmentation Services to a Pre-qualified Bidder if:
- (a) the Pre-qualified Bidder has previously declined to submit an Engagement Proposal for Work of similar nature, scope and size and to be performed in substantially the same time frame;
 - (b) the Pre-qualified Bidder requests, for reasons acceptable to the Contract Administrator, to be excluded from the normal order of the Pre-qualification List for all or any types of Work;

- (c) the City determines that it wants to continue Work with another Pre-qualified Bidder (for instance, in the case of multi-phased projects, or previous experience with the Pre-qualified Bidder/proposed personnel).
- E4.7 The Engagement Proposal will be evaluated by the User based on the following bid evaluation criteria:
- | | |
|--|-----------|
| (a) Availability for timeframe requested in Engagement | Pass/Fail |
| (b) Unit Price per hours | 40%; |
| (c) Experience | 30%; |
| (d) Skills and Depth | 30% |
- E4.7.1 Further to the evaluation of E4.7(d) the User may request an interview with the proposed personnel to better determine their appropriateness for the requested Work.
- E4.7.2 Further to the evaluation of E4.7, the User may:
- (a) accept the Engagement Proposal;
 - (b) request a revised Engagement Proposal based on a revised Request for IT Services, a need for additional information, a request for different proposed personnel; or
 - (c) recommend to the Contract Administrator that the Engagement Proposal be rejected for any of the reasons stated in E4.8.
- E4.8 The City will have no obligation to accept an Engagement Proposal where:
- (a) the prices exceed the available City funds for the Work;
 - (b) the prices are materially in excess of the prices received for similar Work in the past;
 - (c) the prices are materially in excess of the cost to the City performing the Work, or a significant portion thereof, with its own forces; or
 - (d) in the judgment of the Contract Administrator, the interests of the City would best be served by not accepting an Engagement Proposal.
- E4.9 The City reserves the right to solicit competitive offers for Work for which an Engagement Proposal has been rejected.
- E4.10 The Contract Administrator may solicit evaluations of the Work and/or personnel to determine whether the Applicant should be removed from the Pre-qualification List.
- E4.11 For the Engagements mentioned above, and pricing on Appendix A, Pre-qualified Bidder(s) and proposed personnel should supply their own equipment, including a computer, telephone, application development tools, standard office software such as Microsoft Office compatible software and any other software required to perform the above services. The City of Winnipeg will provide access to any required City owned licensed applications, networks and equipment.
