 THREE FULL WORKING DAYS
 PRIOR TO CONSTRUCTION FOR LOCATION OF EXISTING
 WATER, WASTEWATER AND LAND DRAINAGE UTILITIES

PUBLIC WORKS APPROVAL CONDITIONAL TO THE FOLLOWING
Pavement Cuts on Regional Streets
 Public Works requires all street cut permit applicants or their agents to restore their own hard surface cuts made on Regional/P1 streets no later than 72 hours after completion of any utility repair or installation activity. Cuts made November 1 – April 30 shall be restored by June 30 of next year. Only contractors who are licensed under the Streets By-law and hold a valid Restoration Contractor License are permitted to restore hard surface cuts in the Right-of-Way, subject to the Streets By-law 1481/77 and the latest Street Cuts Manual.
 &
 All pavement restorations shall adhere to the Pavement Restoration Guidelines in the latest Street Cut Manual. For any License related questions please contact:
