

The New Deal proposal

\$ for infrastructure, growth revenues + a small shift off property taxes

We think we could do this . . .

Property Tax Reduction	\$15m
------------------------	-------

Total Reduction	
-----------------	--

\$15m

IF, we could also do this . . .

Transfers:

Current GST	\$62m
-------------	-------

Current Provincial Fuel Tax	\$33m
-----------------------------	-------

New Fuel Tax	\$33m
--------------	-------

Reduce infrastructure Maintenance (savings)	\$10m
--	-------

“New Deal” Revenue	
--------------------	--

\$138m
