Comments:

Square footage: Data provided from Maximo

Replacement value: Estimate based on \$150 /sq ft (including 10% engineering, 15% contingency, 3% dept OH and 3% corp. OH)

New Replacement value: Estimate based on \$126 /sq ft

Operating Needs: Maximo actual costs including labour, materials, utilities and OH averaged over 2001 and 2002

Current Preservation: Maximo actual costs including materials, labour, capital and OH averaged over 2000, 2001 and 2002

Planned Preservation: 2002 actual preservation costs inflated over 5 year plus capital estimates from 5 year capital forecast

Preservation Needs: Capital and maintenance needs identified over the next ten years 2004-2014

Needs Index: Ratio of preservation needs over replacement value

Parking lot repair refurbishment not included in preservation needs calculation. It represents approximately \$50,000 in maintenance needs over the next ten years

(*) Fort Rouge Leisure Centre shares building with Library, Arena and Seniors Centre was originally constructed as Loblaw's Building Converted in 1976, indoor ice arena constructed 1977, and 1983 library was constructed

(**) St. John's Leisure Centre shares building with Winnipeg Health Authority was originally constructed as a School converted in 1987

Replacement value: Estimate based on \$150 /sq ft for Community Centres and \$140 /sq ft for arenas and soccer complexes (including 10% engineering, 15% contingency, 3% dept OH and 3% corp. OH)

New Replacement value: Estimate based on \$126 /sq ft for Community Centres and \$118 /sq ft for arenas and soccer complexes

Operating Needs: Maximo actual costs including labour, materials, utilities and OH averaged over 2001 and 2002

Current Preservation: Maximo actual costs including materials, labour, capital and OH averaged over 2000, 2001 and 2002

Planned Preservation: 2002 actual preservation costs inflated over 5 year plus capital estimates from 5 year capital forecast

Preservation Needs: Capital and maintenance needs identified over the next ten years 2004-2014

Needs Index: Ratio of preservation needs over replacement value

Community Centres are funded with the Universal Funding Formula (UFF) which is based on \$2.05/square footage and \$2.00/person in the catchment area. CC are responsible for operating and 1st line maintenance of their facility and COW is responsible for 2nd line maintenance. However UFF does not provide funding for arenas or Soccer Plexes only for

Parking Lot refurbishment/repair has not been included in the preservation needs calculation, but represents a preservation need for the Community Centre Group of approximately \$14,005,000

(1) Assinaboine West is a field only and should be removed from Community Centres list

(2) Boyd park is the same site as Sinclair Park and should be removed from Community Centres list

(3) Broadway Community Centres does not receive UFF they receive another type of operating grant similar to UFF and Administered by Roy Mulligan

(4) Central CC is captured under Recreation centre list and should be removed from CC list

(5) Garden City CC - number of sites is because of the UFF calculation

(6) Grant Park Harrow should be removed from list was formerly located in school but school has taken over space and is using space for school programs

(7) Red River CC has not been maintained for a number of years because a new building is going to be built. Funding is in place for new building and design is in progress.

(8) St Boniface CC has been closed for a number of years (approx 2000) a large refurbishment cost would be required to re-open that site

(9) Varsity View Sport plex parking lot maintenance responsibility unclear

(10) Woodhaven CC - Condition and Square footage included in above Woodhaven site.

Comments:

Square footage: Data provided from Maximo

Replacement value: Estimate based on \$153/ft sq. Construction cost for 765 Keewatin (1996) was \$102/ft sq, plus 2% inflation/year, plus 10% engineering, plus 15% contingency, plus 3% dept OH and 3% corp OH is \$153/ft sq.

New Replacement value: Estimate based on \$126/ft sq.

Operating Needs: Maximo actual costs including labour, materials, utilities and OH averaged over 2001 and 2002

Current Preservation: Maximo actual costs including materials, labour, capital and OH averaged over 2000, 2001 and 2002

Planned Preservation: 2002 actual preservation costs inflated over 5 year plus capital estimates from 5 year capital forecast

Preservation Needs: Capital and maintenance needs identified over the next ten years 2004-2014

Needs Index: Ratio of preservation needs over replacement value

Parking lot repairs not included in preservation needs calculation. It represents approximately \$13,000 in maintenance needs over the next ten years

(*) Millennium Project includes the addition of approximately 37,000 square feet plus renovation to existing building. Project expected to commence 2004 and be complete 2005. The additional square footage and the capital allocated (with exception of \$469,000 for roof replacement) for the project

(**) 20 Westgate is listed as a grade II on the Historic Buildings Conservation list

Comments:

Square footage: Data provided from Maximo

Replacement value: Estimate based on \$150 /sq ft (including 10% engineering, 15% contingency, 3% dept OH and 3% corp. OH)

New Replacement value: Estimate based on \$126 /sq ft

Operating Needs: Maximo actual costs including labour, materials, utilities and OH averaged over 2001 and 2002

Current Preservation: Maximo actual costs including materials, labour, capital and OH averaged over 2000, 2001 and 2002

Planned Preservation: 2002 actual preservation costs inflated over 5 year plus capital estimates from 5 year capital forecast

Preservation Needs: Capital and maintenance needs identified over the next ten years 2004-2014

Needs Index: Ratio of preservation needs over replacement value

Parking Lot Repairs not included in preservation needs represents approximately \$72,500 preservation need for the Recreation Centres building Group

(1) Seniors Centre should be re-coded

(2) Brooklands Rec Centre no longer in use by COW

(3) Peguis Trail fitness centre located in school. School maintains building BS provides maintenance only on request of CS. Track and fitness area is sports flooring placed on top of soil requires significant work to meet current building codes approximately \$1,062,000 in preservation needs.

(4) Crestview Village Rec Centre very small building most likely intended for a picnic area. Building is presently boarded up and not in use. Should be removed from inventory

- (5) Eric Coy Rec centre and school - no BS presence in school
- (6) Fort Richmond Rec Centre - coded at community centre should be removed from Rec centre list
- (7) Frank Whyte Rec Centre - coded at community centre should be removed from Rec centre list
- (8) John M King Rec Centre - no access school maintains building wading pool uses change facilities during summer months BS provides custodial but no maintenance
- (9) Laura Secord Rec Centre - no Rec centre in school should be removed from inventory
- (10) Maple Multi Plex - coded at community centre should be removed from Rec centre list
- (11) Norquay Prk Rec Centre - community centre, wading pool and outdoor pool share this building no Rec Centre should be removed from Rec centre list
- (12) Notre Dame Rec Centre - coded at community centre should be removed from Rec centre list
- (13) Shaughnessy Rec Centre- day care located in school. Owned and maintained by school
- (14) Sister McNamara Rec Centre - day care located in school. Owned and maintained by school
- (15) St James Cultural - two trailers used to construct Rec Centre requires significant work to meet minimum maintenance standards. Replacement value of trailers is approximately \$50/sqaure foot
- (16) Strathcona Rec Centre- day care and Rec centre (auditorium only) in school. Joint use agreement in place
- (17) Transcona Scout Hall - city owns building but has very little presence in it
- (18 and 19) Tydal Park Rec Centre - coded at community centre should be removed from Rec centre list
- (20) Westdale Rec Centre - coded at community centre should be removed from Rec centre list
- (21) Arts action centre - very poorly maintained building would take a large investment to meet minimum maintenance standards
- (22) Sargent Park Complex/Bowling Green - Pool maintains this area and therefore should be removed from this list
- (23) Block Parents - city owns and maintains building and is use in summer for wading pool not used as a Rec centre and should be removed from this list

203,440

 Current Preservation: Maximo actual costs including materials, labour, capital and OH averaged over 2001, 2002 and 2003
 Planned Preservation: 2002 actual preservation costs inflated over 5 year plus capital estimates from 5 year capital forecast
 Preservation Needs: Capital and maintenance needs identified over the next ten years 2004-2014
 Needs Index - Ratio of Presevation Needs over Replacement Value
 Parking lot repair/refurbishment is not included in the preservation needs calculation. This represents a \$3,292,000 preservation need over the next ten years
 (*) Eldon Ross Indoor Pool & Bldg - 1887 Pacific - Operating from March to October
 (*) Bernie Wolfe Indoor Pool & Bldg- 95 Bournaise - Joint use with school
 (*) Sherbrook Indoor Pool & Bldg - 381 Sherbrook - Historic Building designation

Comments:

Square Footage: Data provided by CMS Branch

Replacement Cost: Estimated based on \$150 /sq ft for building plus cost of pool tank and accessories. Pool tank cost estimated from town of Kilarny OP quote verbally provided by Oasis Pools & Spas

Replacement Cost: Estimated based on \$126 /sq ft for building plus cost of pool tank and accessories.

Operating Needs: Maximo actual costs including labour, materials, utilities and OH averaged over 2001 and 2002

Current Preservation: Maximo actual costs including materials, labour, capital and OH averaged over 2001, 2002 and 2003

Planned Preservation: 2002 actual preservation costs inflated over 5 year plus capital estimates from 5 year capital forecast

Preservation Needs: Capital and maintenance needs identified over the next ten years 2004-2014

Condition Index: Ratio of preservation needs over replacement value

Parking Lots not included in the preservation needs calculation. This represents approximately \$455,000 in preservation needs over the next ten years

Comments: Square footage: Data provided from Maximo
 Replacement value: Estimate based on \$110 /sq ft (including 10% engineering, 15% contingency, 3% de OH and 3% corp. OH) plus wading pool basin

Replacement value: Estimate based on \$93 /sq ft

Operating Needs: Maximo actual costs including labour, materials, utilities and OH averaged over 2001 and 2002

Current Preservation: Maximo actual costs including materials, labour, capital and OH averaged over 2001, 2001 and 2002

Planned Preservation: 2002 actual preservation costs inflated over 5 year plus capital estimates from 5 year capital forecast

Preservation Needs: Capital and maintenance needs identified over the next ten years 2004-2014

Needs Index: Ratio of preservation needs over replacement value

(*) Operated and Maintained by the Outdoor Pool

(**) demolished in 2001 and 2002

Comments:

Square footage: Data provided from Maximo

Replacement value: Estimate based on \$150 /sq ft (including 10% engineering, 15% contingency, 3% dept OH and 3% corp. Cont)

New Replacement value: Estimate based on \$126 /sq ft

Operating Needs: Maximo actual costs including labour, materials, utilities and OH averaged over 2001 and 2002

Current Preservation: Maximo actual costs including materials, labour, capital and OH averaged over 2000, 2001 and 2002

Planned Preservation: 2002 actual preservation costs inflated over 5 year plus capital estimates from 5 year capital forecast

Preservation Needs: Capital and maintenance needs identified over the next ten years 2004-2014

Needs Index: Ratio of preservation needs over replacement value

Parking lot repairs/refurbishment excluded from Preservation needs calculation represents approximately \$20,000 in preservation need

(*) EK Seniors Centre - School owns building, has lease agreement with Senior's Group and intends to demolish when lease expires

(*) North End Senior Centre - is an addition to NE Centennial Pool building
