

Bullying and Harassment

A. PURPOSE

Attempt to “bully proof” schools, by educating the teachers, parents, and students (victims & bullies) on effective ways to deal with and prevent bullying in your school. Hoping to make schools a safe environment for all concerned.

B. DESCRIPTION

This multimedia package includes a power point presentation incorporating text, graphics and videos which covers the following:

- Profiles of both a bully and a victim
- Explaining the effects bullying has on both the bully and the victim
- Explain the “Violence Ladder”
- Advise on how to deal with bullies
- What exactly bullying includes
- The consequences a bully can suffer

C. MODE AND PERSONNEL PRESENTING

This presentation is made by School Education Officers using multimedia equipment

D. AUDIENCE

Student presentations, Grades 2 -3; 4-5-6; 7-8

Adult presentations, Educators and parents
