

DRUG AWARENESS

The Why and How of Saying NO to Drugs

A. PURPOSE

This presentation aims to educate youth and parents of the dangers associated with drug use. The presentation also explores/addresses the negative impact drugs have on society.

B. DESCRIPTION

The drug prevention presentation is broken into two components. One geared towards students, and another for parents. This is a multimedia presentation, incorporating a PowerPoint presentation format. The presentation makes use of powerful video footage, local research statistics, as well as universally known truths about illegal drug use. Students are given the “whole picture” regarding drug use and the effect on their lives. The aim is to help students make an informed, positive choice for themselves. Parents are educated on the most common drugs available to Manitoba teens, their use and affects, as well as how to identify and help their children avoid drug use.
