

Personal Safety for Children

A. PURPOSE

To educate kids on some of the dangers they may face now that they are of school age. By educating teachers and parents on factors to be reinforced at school and at home, and promoting a stay alert stay safe attitude.

B. DESCRIPTION

A multimedia presentation incorporating video, audio and text to create an educational impact on the children, teachers and parents who view it. The material has been age appropriated for 3 groups, kindergarten to grade 1, grades 2 to 3 and grades 4 to 5.

Covered in these presentations are:

- Stranger Danger – teaching children that you can't tell by looks if a person is good or bad.
- Safe people – safe places
- Playing safe while outside, street safety
- Safety when at home, phone safety and answering the door
- Bike Safety/Fire Safety
- Talking about touching. Teaches kids the private zones, about good secrets and bad secrets and whom they can talk to.
- Officers will have the ability to modify the presentation to address current hot topics.

C. MODE AND PERSONNEL PRESENTING

To be presented by School Education Officers with Multimedia equipment.

D. AUDIENCE

Student presentation – Kindergarten to grade 5.
Adults whose responsibility is to reinforce safety education.
