PART 25 – GENERAL and ADMINISTRATIVE PROVISIONS

DIVISION 1 – POWERS OF THE DIRECTOR

Powers to enforce By-law

182 The Director and his or her delegate and all designated employees may conduct inspections and take steps to administer and enforce this By-law and, for those purposes, have the powers of a “designated employee” under The City of Winnipeg Charter.

Fees determined by Director

183(1) Subject to this section, the Director is hereby authorized to charge fees and charges for services provided, documents produced, permits issued or other actions taken that are not referred to in the By-law.

183(2) In deciding whether to charge a fee and in determining the amount of fee to be charged under subsection (1), the Director must be fair and equitable while attempting to recoup the costs incurred by the City.

183(3) Notwithstanding subsection (2), the Director must not impose a charge under subsection (1) that is less than..... **\$112.00.**

DIVISION 2 – REFUNDS AND WAIVERS

Fees waived by Director

184 The Director is hereby authorized to waive all or part of:

- (a) an additional monetary penalty imposed under section 9 (Work without a building permit), section 10 (Work without a development permit), or section 11 (Failure to obtain permit or approval) of this By-law, where the Director is satisfied that the applicant acted reasonably in the circumstances; and
- (b) a fee imposed by this By-law where the Director is satisfied that the imposition of the fee would be unfair in the circumstances.

Increased fees refunded by Director

185 The Director is authorized to refund an amount equal to the increase in the fee to the applicant where:

- (a) this By-law imposes a new fee, or imposes a permit fee higher than the fee imposed by the Planning, Development and Building Fees By-law No. 63/2008, or an amendment to this By-law results in an increased permit fee; and
- (b) the Director is satisfied that, prior to notice being provided to the construction industry of the date that the increased permit fees would come into effect, an applicant was bound to a contract predicated on payment of the lower fee for the permit.

Refunds or waiver of fees by Standing Policy Committee

186(1) Where the applicant is a corporation whose preponderant purpose is not the earning of a profit or is a charity registered with Canada Revenue Agency, the Standing Policy Committee on Property and Development is hereby authorized to waive or direct the refund of all or part of a fee imposed in Part 4 (Development Applications And Agreements), Part 5 (Development Permits), Part 6 (Encroachments) and Part 7 (Variances and Conditional Uses) of this By-law, excluding an advertising fee, where:

- (a) the proposed development will have the effect of providing a public service or will otherwise benefit the community of Winnipeg; and
- (b) the waiver or refund has been endorsed by the community committee in which the proposed development will take place.

186(2) The Standing Policy Committee on Property and Development is hereby authorized to waive or direct the refund of all or part of a fee imposed in Part 4 (Development Applications And Agreements), Part 5 (Development Permits), Part 6 (Encroachments) and Part 7 (Variances and Conditional Uses) of this By-law, excluding an advertising fee, where the Committee is satisfied that failing to do so would be unfair in the circumstances.

Refunds for withdrawn building plan down payment fees

187(1) Where a building plan down payment is required under section 101 (Building plan down payments), and an applicant withdraws an application prior to any review by City staff of the application, **75%** of the building plan down payment is refundable.

187(2) Where a building plan down payment is required under section 101 (Building plan down payments) and an applicant withdraws an application after any review has been undertaken by City staff of the application, no portion of the building plan down payment is refundable.

187(3) Where a building plan down payment is required under section 101 (Building plan down payments) and an applicant withdraws an application after the plan has been reviewed to the point where the building permit can be issued, no portion of the building plan down payment is refundable and the following fees are hereby imposed:

(a) Administration fee**\$101.00**

-plus-

(b) Any applicable inspection fees; and

(c) A plan examination fee equal to **10%**
of total permit fees to a maximum of **\$500.00**.....**\$ fee to be calculated**

Refunds – total fees and charges of \$99.99 or less

188 Unless otherwise specified by this By-law, where:

(a) an application for an authorization, permit, license, certificate or service referred to in this By-law is withdrawn; and

(b) total fees for the application are \$99.99 or less;

the total fees paid by the applicant must be refunded upon request,
subject to the following administration fee**\$23.00**

Refunds – total fees and charges of \$100.00 or more

189(1) Unless otherwise specified by this by-law, (**NOTE see 189(2) and 189(3)**) where an application for an authorization, permit, license, certificate or service referred to in this By-law is withdrawn and total fees for the application are \$100.00 or more, the following percentage of the total fees paid by the applicant must be refunded upon request**75%**

Refunds – building permit or demolition permit

189(2) Where an application for a building permit or demolition permit is withdrawn and the total fees for the application are \$100.00 or more, the following percentage of the total fees paid by the applicant must be refunded upon request**40%**

Refunds – trade permit

189(3) Where an application for an electrical, mechanical, or plumbing permit is withdrawn and the total fees for the application are \$100.00 or more, the following percentage of the total fees paid by the applicant must be refunded upon request.....**50%**

Refunds – review policy

190 Before providing a refund referred to in section 188 (Refunds – total fees and charges of \$99.99 or less) or section 189 (Refunds – total fees and charges of \$100.00 or more), the Director must consider if the refund provided pursuant to those sections results in appropriate cost recovery for the City and, in cases where it does not, the Director is authorized to determine that a lower sum or no sum should be refunded.

DIVISION 3 – ADDRESS FOR SERVICE

Address for service

191 Where an address for service or delivery of a notice, order or other document referred to in this By-law must be determined, it shall be done as follows:

- (a) if the person to be served is an applicant or permit holder, the address provided by the person at the time of application;
- (b) if the person to be served is the owner of real property, the address maintained by the tax collector for the purpose of issuing the tax notice for that property; and
- (c) if the person to be served is the occupant of real property, the street address for that property.

PART 26 - REPEAL AND COMING INTO FORCE

Development Fees By-law repealed

192 The Planning, Development and Building Fees By-law No. 63/2008 is hereby repealed.

By-law replaces Development Fees By-law

193 This By-law replaces the Planning, Development and Building Fees By-law No. 63/2008 and a reference by any by-law, policy, resolution or other document to the Planning, Development and Building Fees By-law No. 63/2008 or a fee imposed under Planning, Development and Building Fees By-law No. 63/2008 is deemed to be a reference to this By-law or the applicable fee under this By-law, as the case may be.

Coming into force

194 This By-law comes into force on May 1, 2009.

DONE AND PASSED in Council assembled, this 29th day of April , 2009.

APPENDIX to FEES BY-LAW

1. Where an Occupant Load Placard is required by the Planning, Property and Development Department the application will be processed through the all applicable branches, zoning, permits, plan examination, enforcement and the commercial building inspections

2. Manitoba Building Code excerpt:

Building area means the greatest horizontal area of a building above *grade* within the outside surface of exterior walls or within the outside surface of exterior walls and the center line of *firewalls*.

3.1(a) Other than as indicated in sections 106 and 107, the building permit fees for interior or exterior alterations, renovations, repairs shall be calculated using the declared value of construction.

3.1(b) Winnipeg Building By-Law excerpt:

“Declared Value” – the valuation to be shown on an application for a building permit shall mean the total monetary worth , of all construction work including all painting, papering, roofing, electrical and mechanical work, plumbing, permanent or fixed heating equipment, and any permanent equipment and all labour, materials and other devices entering into and necessary to the prosecution of the work in its completed form. No portion of any building including mechanical, electrical and plumbing work, shall be excluded from the valuation of the building permit because of any other permits required by any governing by-law, regulation or agency.

3.1(c) DECLARED VALUE – Statistics Canada requires that an accurate declared value be provided and that the city submit these on a monthly basis to be used for statistical purposes and records.

4. Multi-trade residential new home permit

Contractors, in addition to obtaining a residential new home building permit may obtain either a plumbing permit and/or an electrical permit, for installation of the electrical and plumbing installations for new homes, provided these are

installed by contractors licensed by The City of Winnipeg.

The fees for residential new home building permits, residential plumbing permits and electrical permits for a multi-trade permit are the same as if the permits were obtained separately (as shown below).
