
Tent and canopy structures are regulated by the Manitoba Building Code and under normal circumstances would require a permit to erect the tent or canopy, however, the City of Winnipeg will not require permits for small tent/canopy structures provided:

The size of the tent / canopy does not exceed 900 sq. ft.

The tent / canopy is only in place for a maximum of 48 hours.

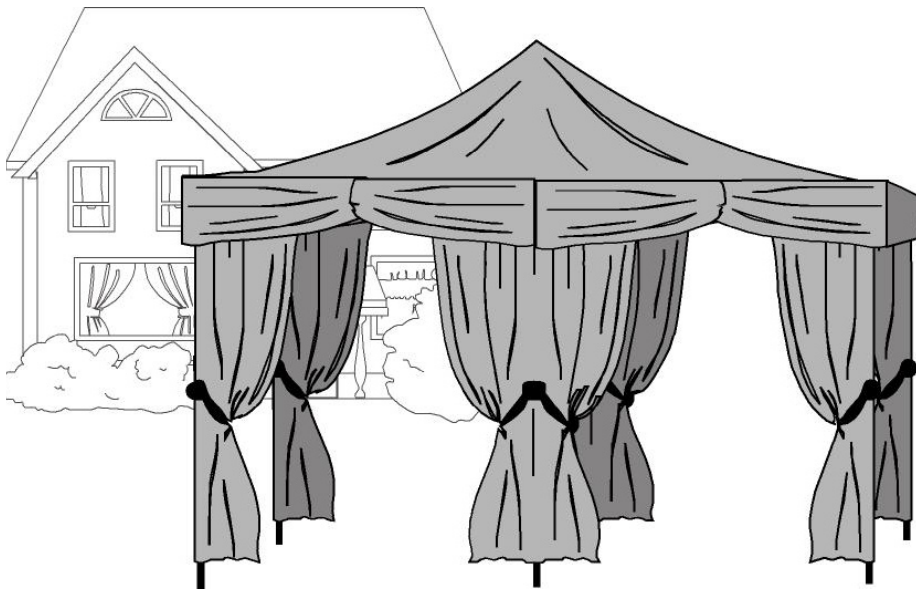

The tent / canopy is erected on private residential property.

No cooking takes place within the tent / canopy.

At least one face of the tent / canopy is open.

All fabric used in connection with the tent / canopy shall conform to CAN/ULC S-109 M “Standard for Flame Tests of Flame-Resistant Fabrics and Films.”

The tent / canopy supplier can provide this information.
