Map Functions

Click on directional arrows to move map

To change view select one and click on map

The map size can be altered by entering scale required

The screenshot shows the Winnipeg.ca website with a map of the 1915 Peninsula HWY area. The map interface includes a search bar, navigation links, and a map control panel. The map control panel features a 'Clicking on the map will:' section with radio buttons for 'Zoom in', 'Zoom out', 'Re-centre to that point', and 'Show address information'. Below this is a 'Show Whole City' button and a 'Map Width (in meters):' input field with an 'Apply' button. The map itself has directional arrows (north, south, east, west) and a scale bar indicating 0 to 50 meters. A sidebar on the left contains links for 'e-CIS Home', 'About e-CIS', 'What's New', 'Contact e-CIS', 'Navigate', 'About Winnipeg', 'Services', 'Departments', 'Events Calendar', and 'Explore'.

The screenshot shows the Winnipeg.ca website in a Microsoft Internet Explorer browser. The browser's address bar displays the URL: <http://cms00asa1.winnipeg.ca/mapxtreme/servlet/csmmap?rsn=369668js=y>. The website header includes navigation links: Home, Accessibility, News, Careers, Mayor's Office, Council, Contact, Maps, and Français. The main banner features the Winnipeg.ca logo and the slogan "Connect with your City" over a cityscape image. Below the banner, there are two links: "enlarge map" and "return to search page". A red arrow points from the "return to search page" link to a red-bordered callout box on the right. The callout box contains the text: "To view the zoning designation of surrounding properties a repeat of the procedure entering the address is required." The main content area displays a map titled "1915 Pembina HWY" with a blue arrow pointing to a specific location. The map shows street names "west", "PEMBINA", and "east", and lot numbers 1871, 1875, 1877, 1915, 1919, 1921, and 1941. To the right of the map, there are controls for "Clicking on the map", "Zoom in", "Zoom out", "Re-centre to that point", and "Show address information". A "Show Whole City" button is also present. Below these controls, there is a "Map Width (in meters):" field with the value "200.0" and an "Apply" button. At the bottom of the map area, there are "Pan Level:" options for "1/4 Page", "1/2 Page", and "3/4 Page", and a scale bar from 0 to 50 meters. A small disclaimer at the bottom of the page reads: "Any party granted access to the copyrighted information contained on this website (protected under Federal Copyright Law), pursuant to a duly executed Agreement may, under the terms of such agreement copy all or selected portions of this information for internal use and distribution only. No other copying or distribution for any other purpose is authorized."

Search by Type of Facility

This is another way of getting information from the Citizen Information System by locating properties categorized by types of facilities (e.g. Recreation Facilities, Heritage Buildings, etc.). The intent is to be able to find information on by predefined categories.

Type

The system will allow you to select the facility type from the drop down list provided. Once a type is selected, associated subtypes will be made available

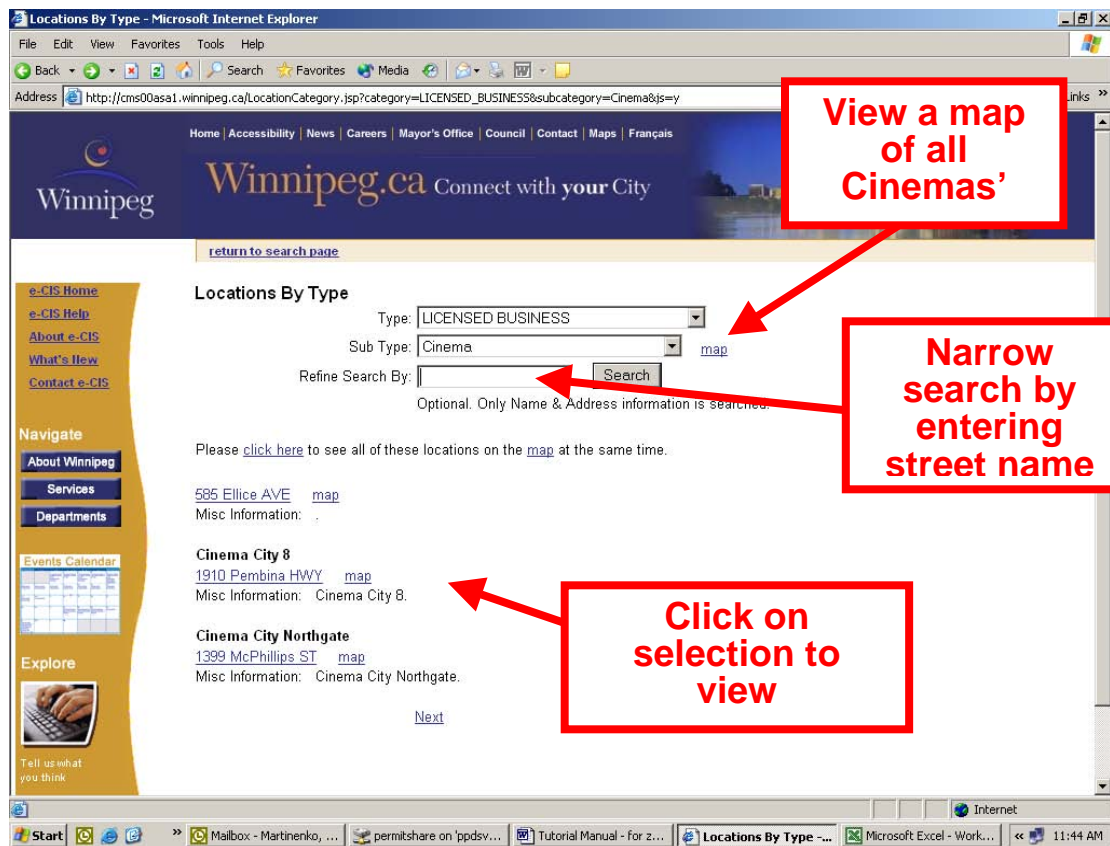

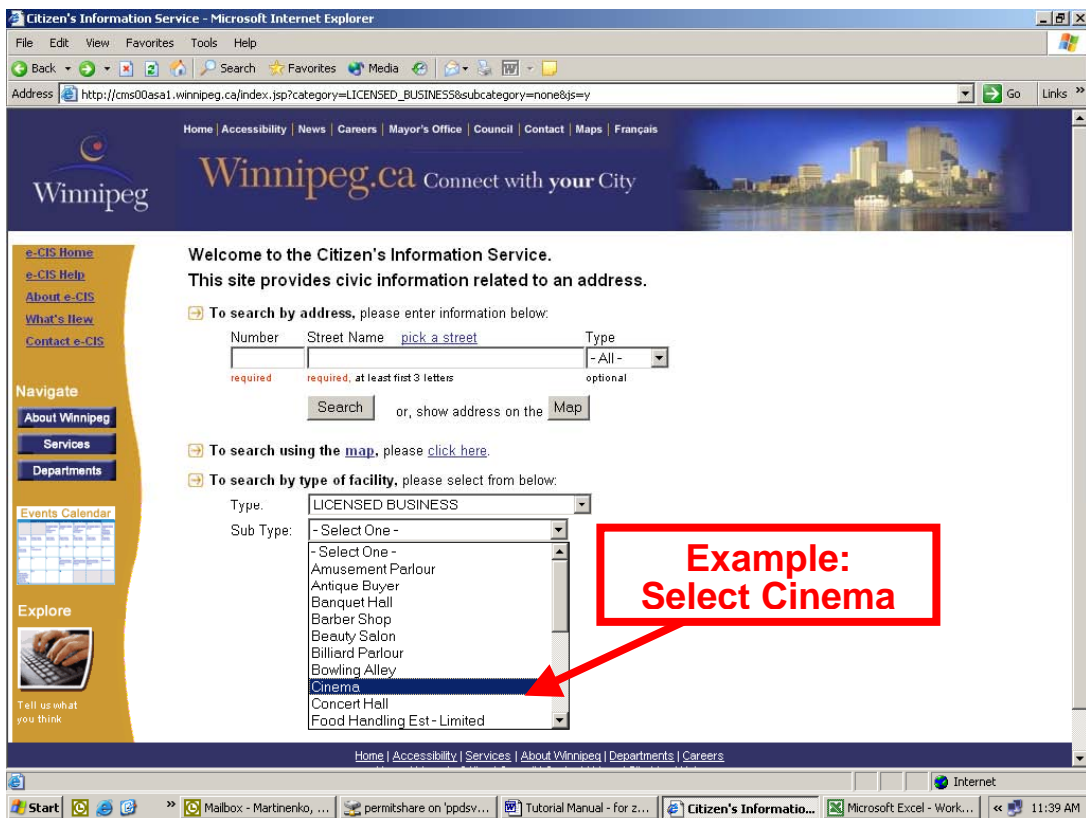

Sub-Type

The system will allow you to select the sub-type for the facility type selected, from a drop down list. Once a sub-type is selected, a list of properties that match the type and sub-type selected will be displayed. You will be able to use the navigation links (previous, next) to view the entire list.

The screenshot shows the Winnipeg.ca Citizen's Information Service website. The page title is "Citizen's Information Service - Microsoft Internet Explorer". The address bar shows the URL: <http://cms00asa1.winnipeg.ca/index.jsp?category=none&subcategory=none&js=y>. The website header includes navigation links: Home | Accessibility | News | Careers | Mayor's Office | Council | Contact | Maps | Français. The main content area is titled "Welcome to the Citizen's Information Service. This site provides civic information related to an address." Below this, there are three search options:

- To search by address, please enter information below:** This section includes input fields for "Number", "Street Name" (with a "pick a street" link), and "Type" (a dropdown menu currently set to "- All -"). A "Search" button is present, along with a "Map" button and the text "or, show address on the Map".
- To search using the map, please click here.**
- To search by type of facility, please select from below:** This section has a "Type:" dropdown menu with a list of options: "- Select One -", "CITY OWNED PROPERTIES FOR SALE", "EMERGENCY SERVICES", "HERITAGE PLANNING BUILDING", "LICENSED BUSINESS" (highlighted in blue), and "RECREATION FACILITY". Below it is a "Sub Type:" dropdown menu.

A red box highlights the "LICENSED BUSINESS" option in the "Type:" dropdown menu, with a red arrow pointing to it. The text "Example: select Licensed Business" is written in red inside the box. The footer of the page includes navigation links: Home | Accessibility | Services | About Winnipeg | Departments | Careers. The taskbar at the bottom shows the Start button and several open applications: Mailbox - Martinenko, permitshare on 'ppdsv..., Tutorial Manual - for 2..., Citizen's Informatio..., and Microsoft Excel - Work... The system clock shows 11:32 AM.
