Declaration of Value

The Winnipeg Building By-law, 14.2.3. (5) states:

Every person responsible, architect, professional engineer, contractor or builder, having contracted for or having performed supervised or inspected any work of construction, alteration or repairs on any land, or the agent of such person, shall give, in writing over his signature when requested by the designated employee all the information in his power with respect to the cost of the work.

The Planning, Development and Building Fees By-law defines "declared value" as "the total monetary worth of the work".

The "Declared Value" will be subject to review after completion of the building permit and/or issuance of the occupancy permit and additional charges and fees may be applied.

DECLARATION

I have read the above noted items and to the best of my knowledge the total monetary worth of the work for which this application is made is the sum of \$.....
