NOTE: An "Underground Only" permit may be issued for plumbing work that is to be completed during the foundation stage of a new building or addition. A valid foundation permit must exist for the project and the name of the contractor holding the foundation permit must be provided. A separate plumbing permit is required for all outlets and fixtures. The fee for an "Underground Only" plumbing permit shall be based on the hourly rate set out in the Winnipeg Fees Bylaw, Clause 11.1(17).
