

# Inkster Boulevard Widening Project **FEEDBACK FORM**

My Postal Code is: \_\_\_\_\_

**Please provide your feedback by placing a check in the appropriate box, below.**

|   |                       |              |                  |                 |                          |
|---|-----------------------|--------------|------------------|-----------------|--------------------------|
| 1. In general, how often do you travel on or along Inkster Boulevard?<br><input type="checkbox"/> Daily<br><input type="checkbox"/> Regularly (Several times a week)<br><input type="checkbox"/> Frequently (Approximately once a week)<br><input type="checkbox"/> Occasionally (Approximately once or twice a month)<br><input type="checkbox"/> Rarely (A few times a year at most)                                      |                       |              |                  |                 |                          |
| 2. What is your usual mode of travel on or along Inkster Boulevard? (Check more than one if applicable)<br><input type="checkbox"/> Personal Vehicle <input type="checkbox"/> Transit/Bus <input type="checkbox"/> Bicycle <input type="checkbox"/> Walk/Jog/Run<br><input type="checkbox"/> Commercial/Business Vehicle <input type="checkbox"/> N/A (not applicable) <input type="checkbox"/> Other? Please specify _____ |                       |              |                  |                 |                          |
| <b>Please check the box that applies best in each of the following statements:</b>  | <b>Strongly Agree</b> | <b>Agree</b> | <b>Undecided</b> | <b>Disagree</b> | <b>Strongly Disagree</b> |
| 3. The Inkster Boulevard Widening Project is needed to improve both local and regional travel.  | □                     | □            | □                | □               | □                        |
| 4. The proposed road widening and intersection improvements will improve vehicular traffic movement along Inkster Boulevard within the Project study area.  | □                     | □            | □                | □               | □                        |
| 5. The proposed multi-use (pedestrian/cyclist) path is an important link in the City's Active Transportation Network.   | □                     | □            | □                | □               | □                        |
| 6. The proposed multi-use (pedestrian/cyclist) path shows good connectivity to local residential and commercial areas.  | □                     | □            | □                | □               | □                        |
| 7. I will be more likely to walk or cycle along Inkster Boulevard following the installation of a multi-use (pedestrian/cyclist) path.  | □                     | □            | □                | □               | □                        |
