

# PUBLIC OPEN HOUSE

## Inkster Boulevard Widening Project

The City of Winnipeg and the Province of Manitoba are planning to widen Inkster Boulevard (Route 25) to a four-lane divided roadway from Keewatin Street to the City limit at Brookside Boulevard and in the R.M. of Rosser (PR 221) to approximately 1km west of the City limit. Proposed work within the City limit of the study area includes intersection and storage lane improvements, new pedestrian/cyclist pathways, streetscaping and adjustments to Transit facilities.

Everyone is invited to attend one of two scheduled Open House events to view preliminary designs for the project.

Members of the Study Team along with representatives for the City of Winnipeg and Province of Manitoba will be available to discuss the project and respond to questions. Feedback forms will be provided for attendees to record their comments and suggestions for consideration in the final design.

## EVERYONE IS WELCOME!
