

Inkster Boulevard Twinning Project Noise Barrier Construction

August 18, 2010

As part of the Inkster Boulevard Twinning Project, the Public Works Department will be constructing a noise barrier wall along your rear property line – or that adjacent to Inkster Boulevard.

Please answer the following questions to ensure we are able to adequately dispose of fencing material and address landscaping concerns. In order to document your property requirements and install temporary fencing, the contractor will require regular access to your property. **Please return this form to Wayne Jaworski, CET at AECOM Canada Ltd by mail, fax 204.284.2040, or by email at: Wayne.Jaworski@aecom.com**
