## AL CONGRESO PAN-AMERICANO

de São Paulo, Brasil

Abril de 1963

por

LA CIUDAD DE WINNIPEG

para ser Anfitrión de los

JUEGOS PAN-AMERICANOS

en 1967.

CITY OF WINNIPEG

Submission to

## THE PAN-AMERICAN CONGRESS

at São Paulo, Brazil

April, 1963

by the

CITY OF WINNIPEG

to host the

PAN-AMERICAN GAMES

in 1967.

### PERTINENT FACTS

- The "Keystone" Province in the heart of Canada is able and anxious to stage the 1967 Pan-American Games.
- Weather during the summer months is moderate with temperatures in the 70° - 80° range and precipitation slight. Evenings are cooler.
- Situated in the centre of Canada, Winnipeg is easily reached by air, rail and road.
- Hotel accommodation meets accepted international standards.
- Winnipeg's application has been supported fully by the Federal Government of Canada, the Provincial Government of Manitoba and the Municipalities of Greater Winnipeg.
- The Net Costs of the Games have been guaranteed by the Federal, Provincial and Municipal Governments.
- All new athletic and spectator facilities will be completed by 1966 — a full year before the games.
- A Technical Director will be appointed on January 1, 1964.
- Extensive organizational experience has been acquired through the staging of national, provincial and local competitions.
- National coverage has been extended to competitive events in the Province by radio, television and press. Public enthusiasm in Canada for all sports events has indicated a willingness and an ability to hold these games.

PROVINCE OF MANITOBA  
OFFICE OF THE PREMIER  
WINNIPEG

April 10, 1963.

Dear Mr. Chairman:

The provincial government very much appreciates your Committee's efforts to persuade the Congress of the Pan-American Games to grant the 1967 Games to Winnipeg and to Manitoba.

From all accounts I have received the Pan-American Games provide an excellent forum for promoting good will among the nations. This is an objective which all Manitobans are anxious to promote.

The provincial government has already informed his Worship the Mayor of Winnipeg that it will participate in the planning and organization of the Games in 1967 if they are held here. We are therefore in strong support of the request which is now to be laid down before the Pan-American Games Congress, and we trust that you will be successful in the endeavour to obtain the Games in 1967 so that the people of Manitoba will have the pleasure and privilege of playing host and of meeting the many participants from all parts of North, South and Central America.

With all best wishes,

Yours sincerely,

Premier of Manitoba.

The Chairman,  
Pan-American Games Committee,  
Winnipeg, Manitoba.

STEPHEN JUBA  
Mayor

Winnipeg, 2, Man.  
April 8th, 1963.

The Chairman,  
Pan-American Games Committee,  
Winnipeg.

Dear Mr. Chairman :-

The Exploratory Committee of the Greater Winnipeg Pan-American Games Committee devoted considerable time, effort and expense in the year 1958 and the following year in order to bid for the 1963 Games. Our submission to the Pan-American Games Congress in Chicago was well received and greatly impressed the delegates to a point where many favorable comments were received from the membership of the Congress.

Our delegates were evidently disappointed but did appreciate that the awarding of the Games in 1963 to Brazil was a moral promise made previously. However evidence of the reception of Congress to Winnipeg's submission is borne out by the fact that two Resolutions were presented on the floor of Congress, namely that Canada will be the host country in 1967; and secondly that Winnipeg would be given the first opportunity as the Host City.

In my letter to the Congress in 1959, and incidentally it still holds true, I pointed out that when the Games come to Canada it would complete the cycle as the Games would have been held in all the Americas.

However I cannot over-emphasize a more important aspect, namely the bringing together of our people in an atmosphere of friendly good-will which can and will result in a better understanding of our problems and responsibilities in this hemisphere.

The City of Winnipeg joins with the Provincial and Federal Governments of Canada in supporting the Winnipeg Pan-American Games Committee in its bid to host the 1967 event.

I am confident that the members of the Congress and the athletes from the Americas will be favorably impressed with Winnipeg's hospitality.

Yours very truly,

Mayor.

COMMITTEE

**GREATER WINNIPEG PAN-AMERICAN GAMES**

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

WINNIPEG, Manitoba  
April 10th, 1963

To our friends of the Portuguese tongue:

We understand that there is a possibility that the Pan-American Games for 1967 will take place in Winnipeg, Canada.

The Portuguese-speaking element, to which I belong, accordingly extend a welcome to all of you participants, delegates and visitors, from our fraternal countries of the Americas, and assure you that we would like to add a personal invitation to that of Canada to you.

In warm expectation that we will have an opportunity to enhance what will be a happy experience for all of us, should you come in 1967, we remain,

Most sincerely,

**Andre da Camara.**

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

### SPORTS INSTALLATIONS AVAILABLE

Present facilities have met all requirements for national competitions and will provide a sound foundation for facilities of an international calibre.

#### Existing Facilities Include:

##### Track and Field

Six cinder practice tracks are available, including Sargent Park, devoted solely to track and field and the site of the many Canadian Track and Field Championships.

Training facilities in the proposed Pan-American Village, the 20 High Schools and the University of Manitoba are considered sufficient to meet requirements for the Games.

##### Boxing and Wrestling

Three sites exist for boxing and wrestling. The Civic Auditorium with a seating capacity of 3,500, the Winnipeg Arena, seating capacity 10,000 and Minto Armouries, seating capacity 1,500.

Facilities for training are available at the Y.M.C.A., Y.M.H.A., the University of Manitoba and the Pan-American Village.

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

##### Soccer

A main soccer stadium now exists and there are 6 other locations that will be utilized for practice facilities and preliminary games.

##### Equestrian Events

These events will be held in part at Assiniboia Downs. The five million dollar race track with a seating capacity of over 5,000 is the most modern race track in Canada. Fireproof stable facilities and comfortable stalls provide excellent accommodation for over 700 horses, and staff quarters for 200 are within the grounds. The infield area covers over 25 acres. Natural cross-country terrain suitable for international competition is within easy driving distance of the stabling area.

##### Basketball and Volleyball

Basketball and volleyball, two of the major Canadian national sports, receive wide attention throughout the City. There are 20 large high school gymnasiums available for practice or competition purposes. These facilities will accommodate approximately 500 - 1,000 spectators at each location.

##### Gymnastics

Five gymnasiums exist at the Y.M.C.A., Y.M.H.A., and Y.W.C.A., with seating capacity of 500 at each location, the University of Manitoba with a seating capacity of 1,000, and Minto Armouries with a seating capacity of 1,500, plus the large gymnasium already being used in the Pan-American Village.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

### Military Pentathlon

The horses will be stabled at Assiniboia Downs where the terrain is suitable for all stages of this event with the exception of the shooting which will be held on Army Ranges.

### Baseball

Canada's national summer sport is played at numerous locations in the city and facilities exist at every school, park and community centre.

### Rowing

The Winnipeg Rowing Club with its 65 year tradition and experience at staging annual international regattas on the Red River would be the main location of these events. Two additional sites are available. All three locations permit the easy handling of large crowds. The river site is more than 100 yards wide and, at the time of the games, the current is slow.

### Fencing

The Civic Auditorium, Minto Armouries and the University of Manitoba would be the sites for this event. McGregor Barracks with capacity for 1,000 spectators might well be utilized for this purpose.

### Tennis

Facilities already exist which meet international competitive standards. Lighting equipment permits practice at night. Portable metal bleachers would accommodate 2,000 - 4,000 people.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

### Swimming, Diving and Water Polo

No international competitive pool exists in Winnipeg at the present but the official pool will be completed by 1965. However, 10 pools do exist for practice purposes including one already built and being used in the Pan-American Village.

### Yachting

These events would be held on Lake Winnipeg which is 40 miles north-east of the city. Facilities are excellent, with adequate docking provided through the use of the present Provincial Government owned dock.

### Weight Lifting

This event would be staged at the Civic Auditorium and Minto Armouries.

### Cycling

No velodrome exists at the present time but one will be built by 1965, possibly in St. Boniface, the French sister city across the Red River from Winnipeg. Road racing would be held in the Whiteshell Forest Reserve Park, a short distance east of the city.

### Services, Transportation and Communications

All facilities are serviced by light, heat, power and water and utilities are provided by municipally owned corporations.

Within Winnipeg transportation facilities for mass movement of people are excellent and provide rapid access to the sports locations. The Metropolitan Transit Commission provides fast, efficient and comfortable service.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

Local roads are excellent and are constantly being improved and a perimeter road provides quick access to all parts of the City.

Communications provide full service by telegraph and telephone to all parts of the world for the press, radio and television.

### PROPOSED INSTALLATIONS

#### Track and Field

A new track will be built on the existing drainage tile and foundation installed in the new Winnipeg Stadium which was built in 1955. 3,000 permanent seats will also be added and 25,000 temporary seats installed. Total seating capacity of the Stadium will then amount to 40,000.

#### Swimming Pool

An open air swimming pool will be built to international standards and will include the necessary diving tower and a separate diving pool.

#### Cycle Track

As previously mentioned a new velodrome will be constructed in a suitable location.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

### THE "PAN-AMERICAN VILLAGE"

Focal point of the Pan-American Games will be the Pan-American Village located at Fort Osborne Barracks, headquarters of the Royal Canadian Army Prairie Command. The Village which will house the greater part of the athletes will be centered upon the new 25 million dollar addition known as the Selkirk Lines. Sleeping quarters in this village will accommodate four per room. Special meals will be available upon request.

Training facilities will consist of the new one million dollar sports centre, Lipsett Hall, containing two fully equipped gymnasiums, with basketball courts and boxing rings. A 25-metre swimming pool fitted with underwater portholes to facilitate training is available.

A cinder track built to international standards is adjacent to Lipsett Hall. In the same area are tennis courts, soccer fields and baseball diamonds.

Recreational facilities comprise a ten-lane bowling alley, a steam room, a soda fountain, table tennis, billiard and snooker tables.

Roman Catholic and Protestant churches also are contained within the Village.

The Pan-American Village, ten minutes from the downtown area, is easily reached by public transport services from the two railway stations, the international airport and all highways leading into the city. The Village is within thirty minutes distance of all competitive centres.

This Village is situated in one of Winnipeg's more exclusive residential areas facilitating training and comradeship.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

### HOTEL ACCOMODATION

Greater Winnipeg boasts a number of luxury hotels. In addition to the two largest hotels, The Fort Garry Hotel, owned by the Canadian National Railways, and the Royal Alexandra Hotel, operated by the Canadian Pacific Railway, there are many other hotels both in the downtown area and in the neighbouring suburbs.

The visitor with a car who wishes to stay in the central shopping area can take his choice of the downtown hotels or motels which are built in downtown Winnipeg. A large hotel is also operated in this area by the Central YMCA.

For the visitor who wishes to enjoy the more casual living of the suburbs there are many new tastefully decorated motels along the Red and Assiniboine rivers which flow into greater Winnipeg. An example of these motels is Le Voyageur, which faces the Red River off Pembina highway. Its spacious units in bright colours with white oak furniture are patterned after the simple life of the early settler who arrived at the fork of the rivers by ox cart from the south. None of these suburban motels are more than ten minutes drive from the heart of the city.

A number of large motor hotels are located in the vicinity of the Winnipeg Stadium. They embrace not only the latest in tourist accomodation but also are located in the heart of a thriving new shopping area which is about four minutes driving distance from the proposed Pan-American Village.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

Accommodation, however, is not limited to the hotel-motel facilities. In the heart of Manitoba's playground within 45 minutes to an hour's drive from the city there are several summer resorts with beach, cottage and tourist camp lodgings and a host of summer activities.

Greater Winnipeg also has a large number of furnished apartment block suites which will be made available to incoming guests.

Greater Winnipeg contains over 11,000 hotel and motel beds and adjacent summer resorts, within an hour's drive, can accomodate a further 30,000 visitors. A registration of private homes will be made and, if necessary, an additional 40,000 can be handled. An additional half dozen hotels and motels are also under construction at the moment.

Hotel rates in the Greater Winnipeg area range from about \$6.00 single to about \$17.00 for double accomodation. The latter would include large master bed-sitting rooms, shower and bath, radio, television and air conditioning.

COMMITTEE

**GREATER WINNIPEG PAN-AMERICAN GAMES**

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

**TRANSPORTATION**

Being a major distributing centre, Greater Winnipeg is one of the key points in the transportation system of Canada and is adequately serviced by all forms of transportation.

Distances to Winnipeg from Major Centres — by road:

	Miles		Miles
Minneapolis .....	458	Fort William .....	450
Chicago .....	893	Toronto .....	1,306
Milwaukee .....	809	Montreal .....	1,427
Des Moines .....	758	Regina .....	365
Detroit .....	1,106	Edmonton .....	873

International Airport:

A new International Airport Terminal Building has just been completed with accomodation for all airlines.

COMMITTEE

**GREATER WINNIPEG PAN-AMERICAN GAMES**

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

**FINANCIAL ESTIMATES**

The financial estimates that follow have been prepared by members of the Citizens Committee who were present in Chicago in 1959 when Winnipeg applied for the 1963 Pan American Games.

The figures have been based to a large extent upon the experience of the various organizing committees of the 1955 Pan American Games held in Mexico City, the British Empire and Commonwealth Games held in Vancouver in 1954 and Cardiff in 1958 and the Pan-American Games held in Chicago in 1959. Based on this experience and also using local knowledge the Committee have produced the following schedules:

SCHEDULE I — Estimate of Operating Expenditures	(\$ 840,000)
Estimate of Operating Revenues	(\$ 880,000)
SCHEDULE II — Estimated Capital Expenditures	(\$1,420,000)
SCHEDULE III — Summary of Total Net Costs	(\$1,380,000)

One-third of the net costs will be assumed by the Government of Canada, one-third by the Province of Manitoba and the balance by the municipalities in Greater Winnipeg. Exhibits I and II are letters from the Federal and Provincial Governments substantiating their support.

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

### EXHIBIT I.

March 1, 1963

His Worship,  
Mayor Stephen Juba,  
City Hall,  
Winnipeg 2, Manitoba.

Dear Mr. Juba:

I am writing with great pleasure to convey to you officially the fact that the Government has approved federal support for the application of the City of Winnipeg to act as host city for the Pan American Games in 1967.

The federal support, which has been approved is one third of the costs incurred over the years prior to the holding of the Games, up to an amount of \$460,000.00, which, according to your estimates would be a third of total expenditures.

Federal support is conditional on undertakings by the province and municipalities concerned to meet the remainder of the costs incurred during the period.

In giving this approval, the Federal Government has specified that as much federal expenditure as practical should be provided through the Municipal Winter Works Program. It is hoped that as much construction as possible will be carried out during the winter months so as to qualify under this program. Grants for operating purposes will be administered by this Department and paid under the Fitness and Amateur Sport Act. I will be happy to answer any enquiries you might have concerning the program and that my Colleague, the Minister of Labour will do all that is possible to assist through the Municipal Winter Works Act.

I hope these conditions are satisfactory to you and that you will be in touch with Mr. Starr and myself in due course regarding the details of how the Federal Government can be most helpful in providing this assistance.

May I express my warmest good wishes and hopes for success in obtaining the Games for Winnipeg.

Yours sincerely,

(SGD.) J. WALDO MONTEITH

Minister of National Health  
and Welfare.

Government of Canada.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

### EXHIBIT II.

March 12, 1963.

His Worship Mayor Stephen Juba,  
Mayor of the City of Winnipeg,  
City Hall,  
Winnipeg, Man.

My dear Mayor:

The Government has considered your request that a grant should be made in support of the Pan American Games should they be held in Winnipeg in 1967.

A study has been made of the tentative budget by our officials in conjunction with yours. While we appreciate the difficulty of completing anything definite so far in advance of the event, we believe that in several respects the budget appears excessive. The result is a deficit which we hesitate to accept for the Province as a firm basis for financial participation.

The Province is anxious, however, to assist in this matter and is prepared to contribute a grant equal to one-third of the deficit incurred in the holding of the games subject to the proviso that any such deficit follows from a budget which has had our prior examination and approval.

In these circumstances, we would expect that we would be consulted in the formation of the budget although the prime responsibility is one, we understand, that the City is prepared to assume.

Yours sincerely,

*Stuart Pollock*

Premier, Province of  
Manitoba.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

### ORGANIZATIONAL EXPERIENCE AND PROPOSALS

Manitoba for many years past has been one of the most prolific athletic provinces in Canada. Fine traditions of sportsmanship are evident in the many sports that are keenly followed such as:— Track and Field, Soccer, Basketball, Tennis, Swimming, Rowing, Weightlifting, Wrestling, Gymnastics, Ice Hockey, Football, etc.

Over the years many former active participants have entered the executive and organizational phase of the sports in which they once took an active part giving fresh impetus and direction to the activities.

Some of the more recent larger events successfully organized in this City are:—

**Track and Field:** For the past four years two Internationally attended Indoor Track and Field Meets have been staged per year in our new Arena Building.

Capacity crowds were thrilled at the site of North American, European and West Indian athletes giving world class performances.

These Indoor Track Meets have been televised from Coast to Coast and have thrilled millions of spectators.

**Soccer:** Hosting the Touring Soccer Teams during their usual summer tours of Canada.

**Rowing:** The North West International Regatta held many times in Winnipeg over the last fifty years.

**Shooting:** The Canadian Shooting Championships.

**Swimming:** The Canadian Championships and Olympic Trials.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

The organizing committee is fully aware of the need to provide a larger number of judges and officials that will be required for the staging of the Games. Instruction clinics have been established for all sports and a large number of fully qualified officials already trained. These officials will be given the necessary additional practice at Canadian and International Competitive events to be held in Winnipeg between now and the Games in 1967.

A Technical Director will be hired to start January 1st, 1964, together with one or two of an office staff. The Technical Director will supervise all new construction so as to assure that the facilities constructed will be to the highest international standards and completed by the end of 1966. Under the guidance of the Technical Director, a volunteer committee will start immediately to promote and advertise the Games and establish a ticket selling organization which should be ready to operate a year in advance of the Games.

Fortunately we already have in operation most of the physical facilities required and they will only have to be improved as to seating capacity.

A General Chairman of the Games will instruct both the interpreting staff and the volunteer chairmen of the various committees as to their duties and help to establish the large volunteer organization to run the Games.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

### EXTRAS

Greater Winnipeg with a population of 500,000 is the fourth largest metropolitan City in Canada and is the most fully integrated manufacturing, distributing, financial and commercial centre in Western Canada. Its natural primary market encompasses a population of 3½ million and covers the provinces of Alberta, Saskatchewan, Manitoba and part of Northwestern Ontario. It is in this area that many of the major petroleum, natural gas and basic mineral discoveries in Canada have been made in recent years.

The population of Greater Winnipeg has increased over the past few years at a faster rate than Canada as a whole. Winnipeg's cosmopolitan heritage includes peoples from many nations with many languages being spoken principally French and English.

Such renowned groups as the Royal Winnipeg Ballet Company, The Winnipeg Symphony Orchestra, The Winnipeg Musical Festival — (the largest in the world), the Winnipeg Summer Theatre Association and the Manitoba Theatre Centre, have achieved international acclaim and would be the artistic components of a Festival of the Americas to strengthen the ties between the Pan-American Nations.

Restaurants are numerous and a number are noted for their fine cuisine.

Recreational facilities cater to a diversity of tastes. Summer sports include golf at the many courses located throughout the City, swimming, water skiing, fishing and boating on the several lakes, tennis, professional baseball and soccer. Within an hour's drive of the city there are at least fifteen summer resort areas. Early fall spells a return of rugby football and horse racing at Assiniboia Downs.

COMMITTEE

## GREATER WINNIPEG PAN-AMERICAN GAMES

APPOINTED SEPTEMBER 12, 1958 BY MAYOR STEPHEN JUBA

Winnipeg's modern shops and department stores provide a Mecca for visiting shoppers, displaying fine woolens, chinaware and furs.

Historic sites, parks and squares abound throughout the City.

The Museum and Art Gallery in the Civic Auditorium, which serves as Winnipeg's cultural centre, present the past and the present.

The Citizen's Exploratory Committee has already devoted seven years to organizing this endeavour and to stimulating interest in sports in Winnipeg, in Manitoba and in Canada. By presenting this brief, the Committee and, indeed, all Canadians pledge their support to the idea of "Pan-Americanism", which will be illustrated by the successful staging of the 1967 Pan American Games in the very heart of our nation.

A special reason to celebrate the Pan-American Games and the Festival of the Americas is the fact that 1967 is Canada's Centennial year and Canadians from Coast to Coast plan to make it a year to remember.

## Pan American Games (1967) Society

On the preceding pages we have reproduced the English section of the Winnipeg Submission to the Pan American Games Congress held at Sao Paulo, Brazil in April, 1963.

On October 10th, 1963, nineteen citizens of Greater Winnipeg were named to act as the Nominating Committee to appoint 125 members to the five Boards of Directors. The first meeting of this committee was held on October 18th.

The full membership of the National Executive Council was named on October 28th, 1963 by his Worship Mayor Stephen Juba. The National Executive Council of the Pan American Games (1967) Society, consists of the following.

Robert L. Bailey*	Justice Alfred M. Monnin*
