New Opportunities for Engagement with the City of Winnipeg

Information Session for the Happyland Park Playground Renewal

Winnipeggers are invited to attend a public information session on the playground upgrade at Happyland Park.

The Happyland Park play structure was built over 20 years ago and is in need of replacement. The City of Winnipeg is currently exploring upgrading the play structure and would like your input on that initiative as well as your ideas about the rest of the park.

Date: Wednesday, November 30, 2016

Time: 5:00 p.m. to 8:00 p.m.

Location: Archwood Community Centre, [565 Guilbault Street](#)

For more information, to view the information session presentation boards or to provide feedback, please visit Winnipeg.ca/HappylandPark.

Open House for update on Transcona Parks

Open house for the Fermor Avenue Bridge over Seine River Rehabilitation and Roadworks

Winnipeggers are invited to attend an open house to view and provide feedback on the preliminary design ideas for the Fermor bridge rehabilitation and roadworks.

Fermor Avenue between St. Anne's Road and Archibald Street, including the bridge over the Seine River, is in poor condition and needs to be rehabilitated. A study is underway to develop a preliminary design for the rehabilitation as well as improvements to the active transportation network in the study area. Open house visitors will be given the opportunity to learn about preliminary design ideas for pedestrian & cycling infrastructure, and intersection & road improvements.

Date: Tuesday, December 13, 2016

Time: 4:00 p.m. to 8:00 p.m.

Location: Southdale Community Centre, [254 Lakewood Boulevard](#)

For more information, to view the open house presentation boards or to provide feedback, please visit Winnipeg.ca/Fermor.
