

PUBLIC ENGAGEMENT NEWS

New Opportunities for Engagement with the City of Winnipeg

Information session for the Transit Garage Expansion Project

Winnipeggers are invited to the public information session to learn more about the transit garage expansion project.

Winnipeg Transit's fleet has been increasing in size and types of buses over the past decade. The primary vehicle maintenance facility operated by Winnipeg Transit is the vehicle overhaul and repair shop at the Fort Rouge Garage, located at 421 Osborne Street. The main facilities at the Fort Rouge Garage are nearly 50 years old and many of the building systems have reached the end of their useful life. To meet current and future demand, Winnipeg Transit is proposing to expand its Fort Rouge Garage bus maintenance facility. Join us at an information session to learn more about the proposed expansion.

Date: Thursday, January 19, 2017

Time: 4:30 p.m. to 7:00 p.m.

Location: Fort Rouge Leisure Centre, [625 Osborne Street](#)
