

PUBLIC ENGAGEMENT NEWS

New Opportunities for Engagement with the City of Winnipeg

Public invited to a town hall to discuss the South End Sewage Treatment Plant Hauled Liquid Waste Facility Closure and Gravel Road Maintenance

The City of Winnipeg is inviting residents to a town hall May 31, 2017 which will feature two presentations. The first is on the closure of the South End Sewage Treatment Plant Hauled Liquid Waste Facility, and the second on gravel road maintenance.

The City of Winnipeg will no longer be accepting hauled wastewater at the South End Sewage Treatment Plant as early as June 2017. After the closure, all hauled wastewater will need to be disposed of at the North End Sewage Treatment Plant.

The maintenance of gravel roads in the south end of Winnipeg will also be discussed at the town hall.

Date: May 31, 2017

Time: 7 p.m. to 8:30 p.m.

Location: Centre scolaire Léo-Rémillard
Multi-purpose room
[1095 St Anne's Rd](#)

Format: Hauled wastewater presentation followed by a question period at 7 p.m. Gravel road maintenance presentation and question period at 7:45 p.m.

For more information, please visit winnipeg.ca/hauledwastewater.

St. John's Park Redevelopment Master Plan Survey

The City of Winnipeg is seeking public feedback on a redevelopment master plan for St. John's Park. The redevelopment features improvements on recreation and leisure options, accessibility and safety, gardens and cultural heritage within St. John's Park.

The City is asking the community to share their vision for the site to ensure that the proposed redevelopment plans meet residents' visions and needs for the area.

We would like your input on how you use the park and what improvements need to be made to make your experience an even better one.

Fill out our [online survey](#). Information gathered at this stage will be used to help guide the development of a concept plan for the park. The survey will remain open until May 31, 2017.

For more information, please visit winnipeg.ca/stjohnspark.

Ongoing Opportunities for Engagement with the City of Winnipeg

You're invited to provide input on a new rapid transit corridor connecting downtown and eastern Winnipeg

Expansion of the City's rapid transit network continues with the launch of the Eastern Corridor Study which aims to identify the route for a new rapid transit corridor connecting downtown and eastern Winnipeg, as well as a plan for the Louise Bridge.

Public engagement is a cornerstone of this project and there will be many opportunities to participate throughout the process. Please join us and participate in the first round of public workshops to discuss opportunities and criteria:

Attend the final workshop from the first round!
Location: Neeginan Centre, 181 Higgins Avenue
Date: Thursday, May 18
Time: 4:30 p.m. to 7:30 p.m.

For more information on the Eastern Corridor Study, or to provide feedback online, please visit winnipeg.ca/easterncorridor.

You are invited to provide feedback on pedestrian and cycling project connecting Wolseley and West Alexander

Do you walk or bike in the Wolseley and West End neighbourhoods? The City wants to hear from you to help shape plans for a Walk Bike project connecting the Wolseley and West Alexander

neighbourhoods.

Public input is a key component of all Walk Bike projects. Join the conversation online by taking photos of your experience walking and biking in this neighbourhood using #WalkBikeWPG. Also visit the website to provide feedback through an online survey and mapping tool: winnipeg.ca/walkbikeprojects.

For more information, please visit winnipeg.ca/walkbikeprojects. Feedback will be monitoring and collected until May 19, 2017.
