Ongoing Opportunities for Engagement with the

City of Winnipeg

Participate in the review of OurWinnipeg, the City's 25-year plan for the future

The City is inviting Winnipeggers to participate in the review and update of OurWinnipeg, the city's 25-year development plan. Winnipeggers are encouraged to get involved and speak up about what matters to them about the city in order to make Winnipeg an even better place to live, work and play.

To learn more, please visit SpeakUpWinnipeg.com

Butt in on butting out on outdoor patios at restaurants and bars

The City of Winnipeg is conducting public engagement to determine the level of public interest in banning smoking on outdoor patios at bars and restaurants. Winnipeggers are invited to provide input via an [online survey](#), available until September 26, 2017.

For more information, please visit winnipeg.ca/patiosmokingreview.

Help design a better bridge for Arlington

Winnipeggers who live, work or play near the aging Arlington Bridge are invited to share their thoughts about a new bridge throughout September.

Citizens can participate throughout September in three ways:

- Coming out to neighbourhood "pop-ups" and other community-led events
- Completing a five-minute survey at winnipeg.ca/betterarlington

- Posting thoughts and ideas using the hashtag #betterarlington

A full list of scheduled events is available on the City's Better Bridge for Arlington website, winnipeg.ca/betterarlington.

Phase two of pedestrian and cycling project connecting Wolseley and West Alexander

The City wants to hear from you to help refine plans for a Walk Bike project connecting the Wolseley and West Alexander neighbourhoods.

Public input is a key component of all Walk Bike projects. Visit the website to provide feedback through an online survey: winnipeg.ca/walkbikeprojects

Back-in, angled parking pilot

The City of Winnipeg is exploring ways to increase available on-street parking in the Exchange District. A pilot project was implemented on Monday, July 24, 2017 to test back-in, angled parking on the south side of Bannatyne Avenue between Rorie Street and Waterfront Drive.

To provide your feedback on the pilot project, please [complete a survey](#) between July 24 and September 25, 2017. For more information, please visit: winnipegca/angledparkingpilot

Adjustable bike lane curbs pilot

The City installed adjustable bike lane curbs in two locations to test installation methods, monitor maintenance, and assess the comfort level of users.

For more information, to [fill out a survey](#) or to view a map of the changes online, please visit

winnipeg.ca/walkbikeprojects and select an adjustable bike lane curbs project. The survey will be open for the duration of the pilot project.
