

PUBLIC ENGAGEMENT NEWS

New Opportunities for Engagement with the City of Winnipeg

Victoria Jason Skate Park Renewal Workshop

Come out to the skate park to discuss what elements of the park are working well and review a photo inventory of skateboard obstacles being considered for the park.

Date: Saturday, October 28, 2017

Time: 12 p.m. - 2 p.m.

Location: Victoria Jason Park, skate park, [255 Redonda St.](#)

If you are unable to attend, please complete an [online survey](#). For more information, visit winnipeg.ca/victoriajasonskateboard

Help Shape the City of Winnipeg Climate Change Action Plan

You're invited to help plan for climate change by providing input on the vision, targets, and actions for Winnipeg's Climate Action Plan: Planning for Climate Change. Acting for People. The purpose of this process is to develop strategies that will lead to a community-wide climate action plan to reduce greenhouse gas (GHG) emissions. Join us for the first of several opportunities to

explore a climate vision for the City of Winnipeg.

Date: Friday, November 10, 2017

Time: Doors open at 6:30 p.m.; session runs from 7 p.m. to 9 p.m.

Location: The University of Winnipeg's Convocation Hall, second floor of Wesley Hall, [515 Portage Ave.](#)

Please RSVP by November

6: climateactionwinnipeg.eventbrite.ca. For more information, please visit winnipeg.ca/climateaction

North District Police Station Community Workshop

The Old Exhibition Grounds site has been identified as a suitable location for the station in terms of service delivery. Join us at a community workshop on November 14 to share your feedback.

Date: Tuesday, November 14, 2017

Time: 5:30 p.m. – 8:30 p.m.

Location: North Centennial Recreation & Leisure Facility, [90 Sinclair St.](#)

For those who are unable to attend the community workshop, an [online survey](#) is available to gather further public feedback on the project.

For more information, please visit winnipeg.ca/northdistrictstation

Seine Riverbank Stabilization Information Session

You are welcome to attend an information session about the Seine River Stabilization project planned to take place near the corner of Notre Dame Street and Maisonneuve Street in North St. Boniface. Residents will have the opportunity to learn about the project, ask questions, and talk with project team members.

Date: Wednesday, November 8, 2017
Time: 4 p.m. – 7 p.m.
Location: Notre Dame Community Centre, [271 Avenue de la Cathédrale](#)
Format: Drop-in (come and go)

For more information, please visit
winnipeg.ca/SeineRiverStabilization

Chief Peguis Trail Extension West Information Session

Join us at a public information session to view the recommended design and video simulation of Chief Peguis Trail Extension West.

Date: Tuesday, November 7, 2017
Time: 4 p.m. to 7 p.m.
Location: Red River Community Centre, [293 Murray Ave.](#)

For more information, to fill out a survey, to view the public engagement report or to view the open house presentation boards online, please visit
winnipeg.ca/ChiefPeguisTrail

Residential Infill Strategy Survey

The City is seeking feedback from the public on infill. As a starting point to gather public input, we encourage you and your family and friends to complete an [online survey](#) to share your thoughts on infill with us.

For more information, please visit
winnipeg.ca/infillstrategy

Ongoing Opportunities for Engagement with the City of Winnipeg

Taché Promenade Information Session

Thank you to those who attended the information session held on October 17, 2017. The online [feedback form](#) will be available until October 31, 2017. For more information, please visit winnipeg.ca/tachepromenade

Participate in the review of OurWinnipeg, the City's 25-year plan for the future

The City is inviting Winnipeggers to participate in the review and update of OurWinnipeg, the city's 25-year development plan. Winnipeggers are encouraged to get involved and speak up about what matters to them about the city in order to make Winnipeg an even better place to live, work and play.

To learn more, please visit SpeakUpWinnipeg.com

Adjustable bike lane curbs pilot

The City installed adjustable bike lane curbs in two locations to test installation methods, monitor maintenance, and assess the comfort level of users.

For more information, to [fill out a survey](#), or to view a map of the changes online, please visit winnipeg.ca/walkbikeprojects and select an adjustable bike lane curbs project. The survey will be open for the duration of the pilot project.
