New Opportunities for Engagement with the City of Winnipeg

New opportunities to get involved coming in 2018. Have a safe and happy holiday season!

Ongoing Opportunities for Engagement with the City of Winnipeg

Help shape the off-leash dog areas master plan

Go online and fill out a survey and add to an online mapping tool to provide your feedback for the master plan to address and respond to growing interest and demand for off-leash dog areas in Winnipeg. Thank you to those who visited pop-up events to share their feedback in person. There is still one pop-up to share your feedback in this first phase of public engagement. All park users are encouraged to contribute.

Date: Thursday, December 7, 2017

Time: 4 p.m. – 6 p.m.

Location: Cindy Klassen Recreation Complex, front hall, [999 Sargent Ave.](#)

For more information, to fill out the [mapping tool](#) and [survey](#), or to view the presentation boards online, please visit winnipeg.ca/offleashareas.

Participate in the review of OurWinnipeg, the City's 25-year plan for the future

The City is inviting Winnipeggers to participate in the review and update of OurWinnipeg, the city's 25-year development plan. Winnipeggers are encouraged to get involved and speak up about what matters to them about the city in order to make Winnipeg an even better place to live, work and play.

Drop by a pop-up event to learn more and discuss the OurWinnipeg review with the team:

Date: Friday, December 8, 2017

Time: 6 p.m. – 7:30 p.m.

Location: Meet me at the Bell Tower, [Selkirk Avenue at Powers Street](#)

You can also [provide feedback online](#) until December 18, 2017. To learn more, please visit speakupwinnipeg.ca

Eastern Corridor Study

Thank you to those who attended community workshops to further discuss progress on the Eastern Corridor Study project, review potential alignment options, and present recommended evaluation criteria.

Visit the website to provide feedback through our online tools: winnipeg.ca/easterncorridor. The online tools will be available until December 15, 2017.

Last day to provide online feedback on the Pembina Highway Speed Limit Review

Thank you to those who attended the information session on November 29, 2017 to let us know what you think about raising the speed limit on Pembina Highway south of the La Salle River Bridge. Your input, along with the speed limit review, will be considered in a

recommendation to Standing Policy Committee on Infrastructure Renewal and Public Works.

If you were unable to attend, you have until the end of the day to submit your comments through our [online survey](#). The [online survey](#) will close on December 7, 2017. For more information, please visit winnipeg.ca/Pembinaspeedlimit.

Canoe Club Golf Course Reimagining phase two survey available for one more day

Thank you to those who attended a public information session to see how we took what we heard to develop some ideas to enhance current facilities, share the space, and incorporate additional activities.

An [online survey](#) is available until December 8, 2017. For more information, please visit winnipeg.ca/canoecub

Adjustable bike lane curbs pilot

The City installed adjustable bike lane curbs in two locations to test installation methods, monitor maintenance, and assess the comfort level of users.

For more information, to [fill out a survey](#) or to view a map of the changes online, please visit winnipeg.ca/walkbikeprojects and select an adjustable bike lane curbs project. The survey will be open for the duration of the pilot project.

Engagement Updates

Vehicle for Hire Draft By-law and Stakeholder Engagement Report

We heard from over 280 stakeholders through the stakeholder engagement process. Thank you to those who attended focus group sessions and stakeholder meetings, provided written submissions, and to those who participated in the working group session.

The [stakeholder engagement report](#) provides a full account of what we heard. There is also a summary report available. Feedback from stakeholders was invaluable to shaping the Vehicle for Hire By-law, and although not all feedback was incorporated into the By-law, the input provided was carefully considered and stakeholder perspectives were highly appreciated. It is envisioned that future changes to the By-law will be necessary and further stakeholder engagement will continue as we move forward.

For more information, please visit winnipeg.ca/vehiclesforhire.

Gord Dong Park Public Engagement Summary

Thank you to everyone who participated in a workshop on October 19, 2017. Fourteen individuals participated in a public workshop. The online survey was available until October 23, 2017 and received 27 responses.

Further information on feedback provided by citizens is now available online in a [public engagement summary](#). Please visit winnipeg.ca/GordDongPark for more information.

Bishop Grandin Walk Bike Bridge Preliminary Design and Update

The City has developed a [preliminary design](#) for the Bishop Grandin Walk Bike Bridge Over Pembina Highway. To view the preliminary design, please visit winnipeg.ca/bishopwalkbikebridge. The [public engagement summary](#) can also be found on the project website. Highlights from how public feedback was used in the preliminary design are contained in a table on the project website.
