New Opportunities for Engagement with the City of Winnipeg

Smart Cities Challenge - What would our community do with \$50 million?

The [Smart Cities Challenge](#) is asking Canadian communities to come up with a big idea and submit an application to win up to \$50 million. The Challenge encourages communities to adopt a smart cities approach to improve the lives of their residents through innovation, data and connected technology.

Get Involved:

- [Submit an idea](#) from February 2 to February 22, 2018
- [Select for your favourite submissions](#) from February 2 to February 22, 2018
- Discuss with others online using #SmartCityWpg

For more information, please visit winnipeg.ca/smartcity.

Tonight - North Winnipeg Antenna System Project Public Information Session

The City of Winnipeg (the City) must relocate an existing antenna system from its current location at the North End Pollution Water Control Centre (NEWPCC) at 2230 Main St. Although the City withdrew its previous application in summer 2016, the project is being renewed to accommodate for the future expansion of the NEWPCC. Learn more at an information session.

Date: Thursday, February 15, 2018

Time: 6 p.m. to 8 p.m.

Location: Red River Community Centre, multi-purpose room, [293 Murray Ave.](#)

If you are unable to attend, please view the [information online](#) and submit feedback through the [online comment form](#), open until the end of the day today, February 15, 2018. For more information, please visit: winnipeg.ca/AntennaSystem

Help Shape Winnipeg's Climate Action Plan at a Public Priorities Workshop

You're invited to a workshop to review and provide feedback about the draft Action Plan. This will be the final opportunity for residents to participate in the process before the action plan goes to Council for consideration in the spring.

Date: Tuesday, February 27, 2018

Time: Doors open at 5:45 p.m.; session runs from 6 p.m. to 9 p.m.

Location: North Centennial Community Centre, [90 Sinclair Street](#)

Please RSVP by February 23, 2018

at climateactionreview.eventbrite.ca or call 204-986-6978 to register. A [summary](#) of the first phase of engagement is now available, along with a report on the [kick-off event](#) and [online ideas jam](#). For more information, please visit winnipeg.ca/climateaction

Ongoing Opportunities for Engagement with the City of Winnipeg

Last Chance to provide your input through the Sister MacNamara Park Redevelopment survey

Thank you to all who attended the Sister MacNamara Park Redevelopment workshop on February 5, 2018. If you were unable to attend the workshop, we encourage you to provide your input on future park enhancements through the [online survey](#). The survey will be open until February 20, 2018.

Please visit winnipeg.ca/SisterMacNamaraPark for more information

A Better Bridge for Arlington Survey

Thank you to everyone who joined us at the community event! On February 8, 2018, more than 150 people came out to learn more about the project, meet team members, view the scale model and see how input was considered by the project team as part of designing a new bridge. We received 43 paper surveys.

If you were unable to attend the event please view the [presentation materials](#) and complete a [short survey](#). The survey will be available until the end of the day today, February 15, 2018.

For more information, please visit winnipeg.ca/betterArlington

Adjustable Bike Lane Curbs Pilot

The City installed adjustable bike lane curbs in two locations to test installation methods, monitor maintenance, and assess the comfort level of users. For more information, to fill out a survey or to view a map of the changes online, please visit winnipeg.ca/walkbikeprojects and select the adjustable bike lane curbs project. The survey will be open for the duration of the pilot project.

Upcoming Opportunities for Engagement with the City of Winnipeg

Route 90 Widening

The Route 90 widening preliminary design study is underway. The City of Winnipeg (the City) is working with technical experts, key stakeholders, and the public to develop a preferred design for the widening of Route 90 between Taylor Avenue and Ness Avenue. Updates will be provided as more information on upcoming opportunities for online and in-person engagement become available.

Engagement for this phase of the project will include:

- Project Advisory Committee (PAC)
- Stakeholder meetings and outreach
- Online engagement and statistical surveys
- Public open house to gather public feedback

For more information, please visit winnipeg.ca/Route90.

This newsletter is sent out every other Thursday. We strive to promote events at least two weeks ahead through other means such as newspaper ads, social media, and direct mail.
