## New Opportunities for Engagement with the City of Winnipeg

### Let's build the 2019 budget together

We are asking for your priorities and feedback on the City services you value most to be considered as input as the City makes tough budgeting decisions. The City's financial challenges can't be fixed overnight, but we can start with the 2019 budget process.

#### Engage Online

- [Prioritization and Allocation interactive online tool](#) – tell us how you would spend the City's budget and which tradeoffs you would make.
- [Service Priorities survey](#) – tell us which services you value most.

#### Engage In-Person

- A Pop-up Event in each ward – play the More or Less game and chat with City staff.
- Workshop - join us for an in-depth conversation about the budget, what matters most to you, and the difficult decisions to come.

Date: Wednesday, May 16, 2018

Time: 6 p.m. to 8 p.m.

Location: Millennium Library, Carol Shields Auditorium,

2nd floor, [251 Donald St.](#)

Format: Brief presentation at 6 p.m., followed by breakout group discussions

We will be accepting online feedback until May 23. For more information, please visit:

## Recreation and Parks Strategies Survey

Share your input through an online survey on recreation and parks services and infrastructure, and tell us where your priorities lie to help inform the Recreation and Parks Strategies. The Strategies will provide a 25-year framework to help guide recreation and parks programs, services, policies, standards and procedures, and future investment in existing and new infrastructure.

This survey is the first of several opportunities that you can expect over the next year to share your input with the project team. The [survey](#) will be accepting feedback from April 20 to June 30 and is available online at:

### Windsor Park Neighbourhood Parks Survey

Thank you to those who attended a workshop on April 24 to provide feedback on redeveloping two parks in the Windsor Park neighbourhood: Agate Park and Durham Park. If you were unable to attend, let us know what you think through a [short online survey](#). The survey will be available until May 1, 2018.

For more information, to fill out a survey or to view a map of the changes online, please visit [winnipeg.ca/walkbikeprojects](http://winnipeg.ca/walkbikeprojects) and select an adjustable bike lane curbs project.
