Engagement Updates

Route 90 Public Engagement Summary

Phase 2 of public engagement provided Winnipeggers with an opportunity to share input on key areas for the preliminary design, including: active transportation, traffic changes, transit, local improvements and access, accessibility and other design elements. Thank you to all

who participated. A [Phase 2 Public Engagement Summary Report](#) is now available and provides an overview of the feedback collected for the second phase of public engagement.

Finestone Park Redevelopment

A [public engagement summary](#) summarizing what we heard from the public is now available. The redevelopment of Finestone Park will be considered as part of the 2019 park redevelopment planning process. If the project is approved as part of the 2019 process, the park will be designed with consideration of the input provided from the public through the workshop and survey. Participants who requested updates will be contacted if the design moves forward.
