New Opportunities for Engagement with the City of Winnipeg

Be a part of Welcoming Winnipeg: Reconciling our History

The City is engaging with members of the public and Indigenous peoples to help develop a process and policy for decision-making related to how we can recognize and commemorate historical markers and place names.

This initiative is just one aspect of the reconciliation process the City has committed to, and will help ensure that the contributions, experiences, and perspectives of First Nations, Métis, and Inuit are reflected truthfully in Winnipeg's stories, historical markers, and place names.

- Submit a story – Online, mailed, over the phone, or through audio recording at the Millennium Library
- [Complete a survey](#) – available until March 18, 2019
- Attend the panel event and discussion on Wednesday, March 13, 2019 at the University of Winnipeg – Be a part of the conversation in person and attend to watch Mary Jane Logan McCallum, Adele Perry, Jarvis Brownlie and more discuss the topic of reconciling our history and participate in the discussion afterward.

Engagement Updates

Recreation and Parks Strategies Phase 1 Public Engagement Summary

Thank you to all who attended a Winnipeg Recreation and Parks Strategies open houses or completed an online survey as part of Phase 1 of the project. Online surveys were accepted until June 30, 2018. In Phase 1, we asked you what you value most, how you currently use recreation and parks, and how you want to use recreation and parks in the future. A [public engagement summary](#) is now available and provides an overview of the feedback collected for the project.

Phase 2 will begin in spring 2019 and focus on the development of draft strategies to guide recreation and parks for the next 25 years.

Vehicles for Hire Engagement Summary and Recommendations

In summer and fall 2018, the City consulted with vehicles for hire stakeholders and the public to gather input for consideration while developing future recommendations to Council on the regulation of Vehicles for Hire and how the revenue from the accessibility and driver safety surcharges should be

used. Thank you to those who participated. The input provided by stakeholders and the public was used to develop the recommendations around vehicle for hire safety and security and amendments to the Vehicles for Hire By-law.

Following stakeholder engagement and consideration of feedback, a [public engagement report](#), [safety and security administrative report](#), and [vehicles for hire update report](#) are now available online and are going forward for Standing Policy Committee on Infrastructure Renewal and Public Works review on February 5, 2019. To [appear as a delegation](#), please contact the [City Clerk's office](#).

Pembina Highway Speed Limit Review

Thank you to those who participated in the online survey that was available from April 9 to April 30, 2018. We received over 250 responses that will help shape the speed limit review.

A [public engagement summary](#) of what we heard is now available online. In the spring of 2018, speed data was collected on the stretch of Pembina Highway from the Perimeter Highway to the La Salle River Bridge.

A [report](#) with the results of the study and community concerns will be considered by the Standing Policy Committee on Infrastructure Renewal and Public Works (SPC-IRPW) on February 5, 2019. To [appear as a delegation](#), please contact the [City Clerk's office](#).
