Be a part of Welcoming Winnipeg: Reconciling our History

Thank you to those who attended the panel event last night. Over 60 participants listened to panelists discuss their perspectives on Indigenous stories and experiences related to historical markers, Indigenous place names, our shared history and names. The panel discussion was followed by a workshop to gather feedback from the audience.

If you would like to get involved, you still have an opportunity:

Accessible On-Street Parking pilot program and survey

The Winnipeg Parking Authority is holding a pilot

program and stakeholder survey to identify on-street parking barriers faced by motorists with accessibility requirements.

The City of Winnipeg is interested in learning more about on-street parking barriers faced by motorists with accessibility requirements. If you are a Society for Manitobans with Disabilities (SMD) parking permit holder, please take five minutes to complete a [survey](#) on paid parking needs. Your feedback will assist in determining accessible on-street parking needs in the downtown and the development of a long-term plan to address on-street parking needs. The project team will be collecting feedback until May 31, 2019.
