

# PUBLIC ENGAGEMENT NEWS

## Ongoing Opportunities for Engagement with the City of Winnipeg

### Be part of developing a plan for Transit for the next 25 years

Get involved and provide your feedback on how you use transit, what is and what's not working for you in our current system, and what's important to you in our future transit system.

- [Share your thoughts online](#)
- Attend a pop-up or open house. Details [here](#).
- Sign up for updates by emailing [transitmasterplan@winnipeg.ca](mailto:transitmasterplan@winnipeg.ca).

Visit [winnipeg.ca/transitmasterplan](http://winnipeg.ca/transitmasterplan) for more information. Feedback is being collected from March 15 to April 20.

### Southwest Transitway Route Planning

Winnipeg Transit is proposing improved bus routes in southwest Winnipeg to coincide with the opening of the Southwest Transitway (Stage 2) in spring 2020, subject to Council approval.

You can participate online by reviewing the [information about the proposed routes](#) and taking a [short survey](#). The Ideas in Motion bus popped up in communities throughout southwest Winnipeg in early April. Thank you to those who joined us on the bus to learn about proposed routes and provide feedback.

Learn more at [winnipeg.ca/southwestrapidtransitway](http://winnipeg.ca/southwestrapidtransitway). Feedback is being collected from March 15 to April 15.

### **Accessible On-Street Parking pilot program and survey**

The Winnipeg Parking Authority is holding a pilot program and stakeholder survey to identify on-street parking barriers faced by motorists with accessibility requirements.

The City of Winnipeg is interested in learning more about on-street parking barriers faced by motorists with accessibility requirements. If you are a Society for Manitobans with Disabilities (SMD) parking permit holder, please take five minutes to complete a [survey](#) on paid parking needs. Your feedback will assist in determining accessible on-street parking needs in the downtown and the development of a long-term plan to address on-street parking needs. The project team will be collecting feedback until May 31, 2019.

For more information, please visit [winnipeg.ca/accessibleparkingpilot](http://winnipeg.ca/accessibleparkingpilot)

### **Engagement Updates**

#### **Offleash Dog Areas Master Plan**

As called for in the Off Leash Dog Areas Master Plan, the City has developed a new site selection process and procedure for community groups and individuals who want to request a new off-leash dog area. The procedures will help the City to be more consistent, effective, and efficient

when reviewing applications and selecting new off-leash areas. The [report](#) was received as information at the Standing Policy Committee on Protection, Community Services and Parks (SPC-PCS) meeting on Thursday, April 4, 2019.

For more information, visit [winnipeg.ca/offleashareas](http://winnipeg.ca/offleashareas).

## Athletic Field Review

The final Athletic Field Review document and Open House Feedback Summary report are available for review on the project website, [winnipeg.ca/athleticfieldreview](http://winnipeg.ca/athleticfieldreview).

Once approved by Council, the Athletic Field Review will provide a point of reference for the City and help guide how athletic fields are allocated and managed in the future. Implementation and refinement of the recommendations outlined in the Athletic Field Review will be a collaborative effort between the City, stakeholders and athletic field users.
