## Continue to be part of building engagement

Building public engagement is part of building a stronger democracy, stronger communities, and a stronger Winnipeg.

The [draft Engage Winnipeg Policy](#) is one of the outcomes of your candid feedback provided over the past several years on how the City can improve engagement. The City is requesting your input to continue to build a strong foundation for engagement and build engagement for all Winnipeggers.

You're invited to attend a workshop and participate online to provide feedback.
