

PUBLIC ENGAGEMENT NEWS

New Opportunity for Engagement

Welcoming Winnipeg Phase 2

Your feedback has identified that the community feels strongly about all the options to create new, to add to, and to remove various historical markers and place names. The results and what we heard from the community in phase 1 are available in a [What We Heard](#) report.

Phase 2 of this initiative includes gathering input on a proposed nomination process and criteria for evaluation to guide how we move forward in reconciling our City's history. Take part in this next phase of engagement and have your say in the future of creating a Welcoming Winnipeg through the [survey](#) and community discussions (first discussion tonight - 5 p.m. at Ma Mawi Wi Chi Itata Centre, 445 King St.).

For more information, please visit winnipeg.ca/welcomingwinnipeg.

Ongoing Opportunities for Engagement

St. James Community Parks and Recreation Improvements

Thank you to over 800 St. James residents who have already completed the survey. The [online survey](#) is available until August 5 and will help determine gaps in

parks and recreation needs in the area.

\$1.4 million in proposed funding is identified for parks and recreation amenities in the 2019 Capital Budget forecast for 2020. The City is looking at improving parks and recreation in the area of 255 Hamilton Ave. (former Vimy Arena). We are asking for input from those in the Lakewood, Crestview, Heritage Park, Buchanan, and Sturgeon Creek neighbourhoods.

For more information, please visit winnipeg.ca/stjamesrec.

Stadium Station decorative panels - Southwest Transitway

Voting closes tomorrow! Winnipeg Transit plans to install six large panels with graphics to decorate Stadium Station, located beside Investors Group Field at the University of Manitoba, as part of the Southwest Transitway project.

We want you to [vote for your favorite theme](#). The decorative panels will be designed based on the winning theme. The winning theme will be announced this summer, and the decorative panels are anticipated to be installed in the fall.

More information at winnipeg.ca/stadiumstation.
