Engagement Update

Bill and Helen Norrie Library

A new library for the River Heights area was identified as a priority in the Grant Park Recreation Campus Plan and the Library Redevelopment Plan. We asked for the

community's feedback to ensure the library will meet their needs and serve as a valuable asset to the area. Thank you to those who provided feedback through the survey (available online from April 17 to May 17, 2019) and attended the information session on May 1.

The [public engagement summary](#) is now available, including a feedback table with responses to what we heard from the public. The [final design](#) is also available. Construction is anticipated to begin in fall 2019, with an anticipated completion date in late 2020.

The full results are available on the webpage: winnipeg.ca/norrielibrary
