New Opportunities for Engagement with the City of Winnipeg

Multi-year Budget 2020-2023

The budget is one of the most important tools the City of Winnipeg has when it comes to planning its priorities. You may have heard that the City is moving to a multi-year budget, but what does that mean? Watch this [short video](#) to learn more.

How to get involved:

- Submit your feedback on the budget using the [feedback forms](#) available. All feedback will be provided to elected officials on the appropriate committee during their budget discussions.
- [Appear as a delegation](#). Committee delegation meeting details available [here](#).
