Engagement Updates

Street Lighting Study

Thank you to those who told us about street lighting with more than 1,200 locations pins. Your feedback on the efficacy of street lights will help us provide a written report to Council. An engagement report will be posted once the feedback has been analyzed.

The street lighting initiative resulted in the following online engagement:

- 2,772 aware residents (visited the engagement site)
- 1,899 informed residents (clicked for more information)
- 816 engaged residents (submitted feedback)

For more information on the street lighting study, please visit winnipeg.ca/streetlighting.

Red Tape Reduction

The red tape reduction [stakeholder engagement summary](#) is now available. An [administrative report](#) with a list of top ten red tape items was reviewed by [Executive Policy Committee on December 3](#).

The matter was laid over for 60 days and the Public Service was directed to provide an itemized list of initiatives Departments are undertaking to address the Red Tape items identified within the report and provide

specific timelines for the actionable items.

For more information on this initiative, visit winnipeg.ca/redtapereduction.
