- Transportation Master Plan 2050 \*new
- [Winnipeg Recreation and Parks Strategies](#) Phase 2
- Residential Food Waste Collection Pilot Program \*new

---

### **New Year, New Look, New Opportunities**

Take a moment to register for [engage.winnipeg.ca](http://engage.winnipeg.ca) (or en français at [participe.winnipeg.ca](http://participe.winnipeg.ca)). Registering for Engage Winnipeg allows us to keep you updated on projects that matter most to you as we transition towards this platform for online engagement and updates. The one-time registration process is short and doing so will give you access to all discussion forums, surveys, polls, and other input opportunities.

We will be using this new online engagement platform more and more in 2020 so stay tuned for ways to be part of this online community.

---

### **How can we help?**

Did you know there are a number of ways we can accommodate those who may need alternative access to engagement or information? Some of the ways we can help include:

- Accepting feedback submissions by telephone survey;
- Offering American Sign Language at in-person events;
- Offering tactile maps and/or images.

Visit [winnipeg.ca/public\\_engagement](http://winnipeg.ca/public_engagement) for the full list. We strive to reduce barriers to participating in public engagement opportunities in a number of ways. If you are ever unsure of how to get involved or are having trouble accessing an engagement opportunity, please contact us at 204-986-4243 or [City-Engage@winnipeg.ca](mailto:City-Engage@winnipeg.ca).

---

**We look forward to another year of connecting with you and hearing about your community and what you value most.**

---

**This newsletter is sent out every other Thursday. We strive to promote events at least two weeks ahead through other means such as newspaper ads, social media, and direct mail.**
