

PUBLIC ENGAGEMENT NEWS

Ongoing Opportunity to Get Involved

Walk Bike Wolseley to Downtown Project Phase 3

Thank you to everyone who has provided feedback and those who attended the open house last night. There's still time to submit your feedback. View [recommended designs](#) and fill out the [online survey](#). The survey will remain open until February 9, 2020.

For more information on the project and how we got to the recommended design, visit winnipeg.ca/walkbikeprojects.

Engage Winnipeg: New Newsletter Format

All those who subscribe for the public engagement newsletter (that's you!) will be registered for the Engage Winnipeg site. For all of February and March, we will send newsletters in both formats. Starting in April 2020, we will stop sending the newsletter in this format and send the newsletter through the new format only. Thank you for your patience during this transition period.

Please note: If you would like to continue receiving the public engagement newsletter, it is necessary to complete this registration and select 'yes' when asked if you would like to receive email updates.

You will receive an email asking you to complete the registration

process. The email will look like this:

Completing your registration will ensure that you continue to receive our newsletter on City engagement opportunities. The one-time registration process is short and doing so will give you access to all discussion forums, surveys, polls, and other input opportunities. If you have any questions, please contact City-Engage@winnipeg.ca.

We will be using this new online engagement platform more and more in 2020, so stay tuned for ways to be part of this online community.

This newsletter is sent out every other Thursday. We strive to promote events at least two weeks ahead through other means such as newspaper ads, social media, and direct mail.
