

Thank you for registering for updates on the new City of Winnipeg public engagement platform. We look forward to building this online community and appreciate you being part of it.

This is a new public engagement newsletter format for us. We are in the process of transitioning from the old newsletter format and we appreciate your patience during this time. If you have any questions, please contact City-Engage@winnipeg.ca.

Public Engagement Updates

Welcoming Winnipeg Policy adopted by Council

The [public engagement report](#) from the Welcoming Winnipeg process is now available. Community feedback, information from other cities, and Winnipeg's current processes were considered in developing recommendations for Executive Policy Committee and Council consideration. An administrative report and the Welcoming Winnipeg Policy were [adopted by Council](#) on January 30, 2020.

The Public Service will report back by the end of 2020 to report on learnings and challenges of the initial process to make further recommendations/enhancements.

French Language Services Review report recommendations adopted by Council

Your feedback was analyzed and is now available in a [public engagement summary](#). A summary table of what we heard and how it was considered is available on the [Engage tab](#) of the project webpage. Your feedback informed the recommendations to improve, update, and modernize the delivery of civic services and programs to French-speaking residents.

Recommendations were [adopted by Council](#) on January 30, 2020.

Red Tape Reduction report accepted by Executive Policy Committee

On December 3, 2019, Executive Policy Committee (EPC) laid over the Red Tape Reduction report for 60 days and directed the Winnipeg Public Service to provide an itemized list of initiatives Departments are undertaking to address the Red Tape items identified within the report and provide specific timelines for the actionable items.

An [itemized list](#) of initiatives and associated timelines for red tape items that fall under the responsibility of Public Works and Customer Service and Communications were provided to [EPC and considered on February 11, 2020](#).

EPC concurred with the recommendations so the Public Service will now continue with the actions identified in the red tape reduction report and report back in six months.
