

Public Engagement News

We are now resuming some engagement activities and invite you to take part online. We will continue to provide updates and revised timelines once information is available.

New Opportunity to Get Involved

Planning for our shared future: Have your say on the strategy for the sustainable growth of our city

OurWinnipeg - This is the City of Winnipeg's city-wide master plan, which guides development through policy.

Complete Communities - Part of the OurWinnipeg master plan, Complete Communities is the primary document for determining how land will be developed as we grow.

Ongoing Opportunities to Get Involved

Wellington Crescent Riverbank, Path, and Roadway Project

The City has been investigating how best to protect infrastructure and preserve part of the

south bank of the Assiniboine River on Wellington Crescent.

Have your say on the recommended design. Visit winnipeg.ca/wellingtonriverbank for more information.

Soil Fabrication Program

Did you know the City has been reusing street sweepings, biosolids, and wood chips from trees removed with Dutch Elm Disease to make soil for landfill cover as part of a pilot project?

Visit winnipeg.ca/soilfabrication for more information.

We strive to promote events at least two weeks ahead through other means such as newspaper ads, social media, and direct mail.
